Wahlin Foundation Grant awarded to Brodhead Backpack Food Program

“All kids need is a little help, a little hope, and someone who believes in them” —Magic Johnson

The Brodhead Backpack Food Program's partners, Southwestern Wisconsin Community Action Program (SWCAP), Second Harvest Food Bank, and the School District of Brodhead would like to thank the Wahlin Foundation for their financial support of the Backpack Program. As Magic's quote states, kids need someone who believes in them, and the Wahlin Foundation believes in supporting Brodhead's kids. We are proud to have the Wahlin Foundation as our partner in overcoming hunger.

The goal of the Wahlin Foundation, the charitable arm of Stoughton Trailers LLC, is to enrich lives and provide opportunities in our communities. Betsy McClimon, Executive Director of the Wahlin Foundation, stated “On behalf of Stoughton Trailers, our Foundation looks to support charitable groups that support the communities where we have manufacturing

plants located, and this includes Brodhead, Stoughton and Evansville.”

Through their ongoing support of the Brodhead Backpack Food Program, they have met this goal. Please join us in thanking the Wahlin Foundation for their generous support of the Backpack Program.

For those of you that aren't aware of the Backpack Program, here's a brief summary. In September 2019, a partnership between SWCAP, Second Harvest Food Bank in Madison, and the School District of Brodhead was formed to address student food insecurity within Brodhead's students. The program provides weekend foods to Brodhead students at no cost to the School District, taxpayers, family/caretaker or student. The only cost to the program is the cost of food. All labor and administrative costs are provided through donated and volunteer services, and the program is financially supported through donations and grants from foundations like the Wahlin Foundation.

For those who wish to donate to

the Brodhead Backpack Food Program, donations can be either sent to the Albrecht Elementary School, 1400 21st Street, Brodhead WI 53520 or to SWCAP, 149 N Iowa Street, Dodgeville WI 53533. Please earmark your donation for the Brodhead Backpack Food Program.

ACTIVITIES
AROUND TOWN

KID CONNECTION
TEXTILE RECYCLING DRIVE

When: Saturday, September 16th from 9-11 a.m.

Where: OFFICIAL LOCATION—three car garage located between
Albrecht Elementary School and Brodhead Middle School on the cor-
ner of 21st Street and W. 7th Avenue.

What is a Textile Drive? It is a fund-raiser where Kid Connection
gets paid by the pound for recycling old/used fabric items. First, any-
thing usable is distributed to communities in need. Second, donated
items not suitable for wear are recycled into wiping rags. Lastly, items
not suitable for wiping purposes are processed back into fibers that
are remanufactured into paper, yarn, insulation, carpet padding, etc.

Help them by bagging up your dry, clean/odor free old clothing,
undergarments, bed sheets, curtains, and paired shoes. All items must
be put in plastic bags that can be tied shut. Small garbage or shopping
bags work best. Fabric scraps, pillows, comforters and rugs are NOT
accepted. Please refer to the Kid Connection/Albrecht Elementary
PTO Facebook page for a complete list of acceptable and unacceptable
items. For questions call or text Lori Riese at 608-931-6901.

All monies raised will be used to help enhance the educational ex-
perience at Albrecht Elementary School. Thanks in advance for help-
ing to make a difference in more ways than one!

Interesting fact, did you know that in the U.S. 81 lbs of clothing per
person are thrown away annually? Textiles currently make up 6.3% of
the waste stream. Donate to improve our environment and elemen-
tary school.

UCC Blood Drive

By Mary Malcook

Thank you for a great holiday week drive from the American Red Cross
and I would personally like to thank the 41 donors who came to give blood
on Tuesday, September 5th. Forty units of blood were collected.

That means more life and more memories for the most vulnerable pa-
tients in our community—those suffering unexpected trauma and chronic
illness every day.

I would also like to thank the ladies that helped me with the bloodmobile:
Jean Bonier, Kathy Scott, Diane Anderson and Shirl Davis-Morris and Jean
and Kathy for the treats.

Volleyball Outlasts Beloit Turner

By Teresa Earleywine

Brodhead opened their regular season of volleyball hosting Beloit Turner last Thursday. In a rebuilding year, Gretchen Kammerer, their designated setter, was sidelined with a knee injury. Jaelyn Hillard was moved from the libero role into being the team setter. It would take all five games but the Cardinals would emerge with the 3-2 wins to take the match. Senior and all conference player, Addison Yates, was aided by senior Brenley Jones at the net. The two combined for 13 and 12 kills respectively. Sophomores Addie Leifker and Alecia Dahl combined for 41 digs while Hillard contributed with

34 assists.

In game one, Brodhead jumped out to an early lead and took a 25-13 win. Set two saw the Trojans take a lead but the Cardinals rallied to come from behind to win by six. In game three, Turner racked up seven points before the Brodhead would get on the board. The Trojans went on their second run and had a 12-2 lead. Hillard had a nice run to give her team some hope of a comeback however Beloit took game three with a 17-25 win. Game four, the teams played each other evenly as reflected a 12-12 tie, but Beloit would eek out a 3-point lead. The Cardinals put forth great effort but

the momentum was with the Trojans setting up a fifth set. Brodhead jumped out to the early lead and never letup with a 15-11 finish and win the match.

Hosting their own invitational on Saturday, 10 schools participated. Brodhead won the gold bracket in the championship final against Mineral Point. In pool play, Brodhead lost to Mineral Point in the preliminaries. Mineral Point finished second and Beloit Turner placed third.

On Tuesday this week the team traveled to Clinton. Thursday they will host Edgerton. Varsity games are scheduled for a 6:30 p.m. start time.

The girls were led, once again, by Kalena Riemer, 21:52, as her time. Team members competing were Madilyn Arnold, 23:56, Serena Santiago, 26:23, Danica Demrow, 27:29, Hannah Grover, 32:23 and Nicole Miller, 33:01. As a team they finished in seventh place with 156 points. It was a young Kettle Moraine team, with 42 points, that came out on top.

The team will compete at Edgerton on Thursday this week.

Saturday Mornings at the Durand Library

Modeling done to scale and to perfection

Come out to the Durand Library on Saturday, September 16 and learn what modeling is all about. The Stateline Area Modelers will bring in a great selection of models, which they have assembled. And members will be available to talk about the techniques and tricks to successfully model.

The Stateline Area Modelers are an International Plastic Model Society (IPMS) USA affiliated club, which meets in Durand. The club brings together like-minded individuals who enjoy building scale models of all types. In addition to plastic scale models, the club welcomes all scale model enthusiasts, regardless of medium or material used.

At 10 a.m. Bob Greenlee, club president will discuss the history of plastic modeling and how it has changed and developed over the years. He will share his experience in making models. The models will be on display through noon, so feel free to stop by any time between 10 a.m. and noon to see what club members have brought and to chat with them.

Model categories cover a wide range and include aircraft, armor, automobiles, dioramas, figures, ships and more. Even animals and humans are included. One can purchase the Visible Horse, which shows the internal organs through a clear plastic "skin." Other animals are also available, a cat, a dog, and, of course, a Visible Man. These make great study tools for aspiring veterinarians and doctors!

In order to be a scale model, the object must be drawn to a fixed scale so that all the parts are in proper proportion. Scale can be as small as one inch representing 144 inches, or 12 feet. So a tree 12 feet high would be represented by one inch. Scale can go the other way and yield a large model so that one-inch represents only 12 inches.

In addition to scale, the modeler wants perfection in the model he or she creates. Models must be carefully assembled in the correct order so that the pieces fit together perfectly. Depending on the model, painting of the surfaces may be required to reproduce the details of the object.

The club members don't limit themselves to plastic models and welcome members who work in other media such as wood. The club meets the third Thursday of the month at the United Methodist Church and visitors and new members are cordially invited.

This event is hosted by the Friends of the Durand Library. The group staffs the combined school and village libraries on Saturdays from 9 a.m. until noon. Check out privileges are free to all residents of the school district.

In addition to books, you will also find digitized Durand newspapers dating back to the late 19th century, STEM toys and DVD's for check out. Please enter from the east, or playground, side of the school building and follow the signs to the library.

Both children and adults will enjoy learning about this interesting hobby. So do stop by and see these interesting pieces. For more information about this event or the library, please email villagelibrarian@cusd322.org.

Football Regroups After Upset

By Teresa Earleywine

The last time Platteville High School beat Brodhead in football was 2013 in a playoff round that saw the Hillmen compete in the D4 championship game. That victory feeling returned to the Pioneer Stadium last Friday, when Platteville created an upset over the Cardinals with a 14-6 final score. Both teams had missed opportunities in the first half with the first score coming late in the second quarter when Platteville intercepted Gabe Bockhop's pass. The Hillmen were able to put together a 93-yard drive to take a 7-0 lead. With 1:06 on the clock, Marcus McIntyre on the kickoff, returned the ball 60 yards to Platteville's 25-yard line. Brodhead's first attempt was an incomplete pass, then Dane Huffman was handed the ball to gain three yards but the next play Bockhop was sacked for a loss. Going for it on fourth-down, Bockhop's pass to Gunner Boegli fell incomplete. The Hillmen maintained their lead heading into the break. The Cardinals had first possession of the second half and McIntyre gained 25 yards on the return. Just when it appeared Coach Jim Matty's motivational talk at the break had made an impact, the next

play resulted in a fumble where Isaac Saunders pounced on it to maintain Cardinals possession. But the defensive line would stiffen for Platteville and Brodhead would be out on downs. Tyler Sass of the Hillmen, on third-and-six, scampered for 78 yards and crossed the goal line for another TD for Platteville and the 14-0 lead.

Early in the fourth quarter, Brodhead finally got on the board with a 10-yard pass completion from Bockhop to Boegli. The 2-point conversion attempt missed the mark, setting the score at 14-6. The Cardinals had a golden opportunity when Brody Riese, 3:58 on the clock, intercepted the Hillmen pass on Brodhead's 1-yard line. A gutsy call for a pass play from Bockhop to his preferred receiver, Boegli, resulted in a completion and 53 yards gained. Platteville was determined to get the stop when the Cards were knocking on their door again, this time their interception ended Brodhead's drive. Coach Matthy's utilized his timeouts to preserve the game time. Platteville punted the ball with 1:17 on the clock. After the return, Boegli, once again, caught Bockhop's pass for a 31-yard gain, ball on Platteville's six-yard line.

With 39 seconds, the first down results in an incomplete pass, second down tackled for a two-yard loss. Entering fourth-and-eight yards, 27 seconds, the Hillmen are called for pass interference. Now fourth-and four yards, Bockhop is sacked. Game ends with the 14-6 final and Platteville begins their celebration.

Brodhead Juda will take the lessons learned from this loss and prepare to take on River Valley at Larsen Field later this week.

Owen, Hillstrom, #76, had six solo tackles in the game against Platteville last week. (File photo by Teresa Earleywine)
