Aaron was born on September 27, 2005 in Madison, Wisconsin, the son of Ryan Doyle and Tiffany (Hermosillo) Elmer.

Aaron was a senior at the Brodhead High School and was looking to graduate early in his senior year. He planned on attending a two-year college and working into a welding career. Corner**

**Pastor Shawn Stapleton**  
**Congregational**  
**United Church of Christ**

There will always be those who vilify organized religion, including me. While I fully believe that God gave us faith traditions that help facilitate our spiritual journeys, those traditions can also become human kingdoms where power and money are available, and can quickly be turned for self-ish purposes. I have said many times, “the one force that has turned more people away from Christ than any other is the Church herself.”

So, I get it. Church seems like a hurtful place, and for many people, it has been. The Church has been responsible for reprehensible acts throughout history, carried out in the name of Jesus Christ. Zealotry never grows from rational, sensible thinking, and the Christian Church remains vulnerable to radical extremism, like every other faith tradition. Zealotry, when left unchecked, usually leads to monstrous outcomes.

But your local church is not always the embodiment of those horrific things. Local churches across the landscape are filled with men, women, and children who want peace and love to reign supreme on earth. They remain committed to serving the world by caring for the elderly, children, and the poor. They are praying for teachers, students, custodians, police officers, and veterans—among so many others. They bow their heads when an ambulance screams past their homes. They volunteer with countless organizations. They smile first and ask questions later. They grow closer to one another while they grow closer to God. They care for one another. They know that, without one another, we cannot thrive.

All people should have a healthy skepticism of any organization that has as flawed a past as the Church. But we can be skeptical while also participating in its blessings and serving the world around us. Fostering deep relationships with God and one another while serving others—that's the Church at its best, and that's what you'll find within the walls of a local church near you.

Give it a try this week, and several other weeks. Make an effort to connect with and enjoy the company of people just like you, looking to share the love of God. Ignore the boring sermon, the off-key singing, and maybe even the unkind comment. People are going to fail. The connections you make, the ministry you engage, and the closeness with God you'll feel as a result ... they're very much worth withstanding the humanness of it all.

Meanwhile, please join us as we pray for peace around the world and here at home. God's peace to you, always.

Football contest

The highest scoring football game of the week was Dallas Cowboys over Los Angeles Rams, 43-20. Joan Purdy, Brodhead, won first place with two incorrect and 38 points. Second place was a tie with two incorrect and 49 points. The winners were Tom Brewer and Eric VonAllmen, both of Albany.

ACTIVITIES  
AROUND TOWN

TEXTILE RECYCLING DRIVE

When: Saturday, November 4th, from 9-11 a.m.—last drive until spring.

Where: OFFICIAL LOCATION-three car garage located between Albrecht Elementary School and Brodhead Middle School on the corner of 21st Street and W. 7th Avenue.

What is a Textile Drive? It is a fund-raiser where we get paid by the pound for recycling old/used fabric items. First, anything usable is distributed to communities in need. Second, donated items not suitable for wear are recycled into wiping rags. Lastly, items not suitable for wiping purposes are processed back into fibers that are remanufactured into paper, yarn, insulation, carpet padding, etc.

Help us by bagging up your dry clean/order free old clothing, undergarments, bed sheets, curtains, and paired shoes. All items need to be put in plastic bags that can be tied shut. Small garbage or shopping bags work best. Fabric scraps, pillows, comforters and rugs are NOT accepted. Please refer to the Kid Connection/Albrecht Elementary PTO Facebook page for a complete list of acceptable and unacceptable items. For questions call or text Lori at 608-931-6901.

All monies raised will be used to help enhance the educational experience at Albrecht Elementary School. Thanks in advance for helping to make a difference in more ways than one!

Interesting fact, did you know that in the U.S. 81 lbs of clothing per person are thrown away annually? Textiles currently make up 6.3% of the waste stream. Donate to improve our environment and elementary school. Thanks in advance!

IT'S OPTIMIST MITTEN TREE TIME!

Helping the children of our community and throughout the world is the sole purpose of the Brodhead Optimist Club, a proud member of Optimist International. What better way to do that than by providing Christmas gifts to children in need. But we need the whole community to help us make this project successful. The Susan Welch Mitten Tree Project is designed to help families of children who have eighth graders or younger who live in the Brodhead School District and are having difficulty providing Christmas gifts for their children.

Applications can be picked up by the parents or guardians at the Bank of Brodhead, the Bank of New Glarus—Brodhead Branch, Brodhead Albrecht Elementary and Brodhead Middle School beginning Monday, October 23. The completed form needs to be dropped off by Friday, November 10, where it was originally picked up.

The parent or legal guardian must pick up the gifts on Saturday, December 16, between 9 a.m.-1 p.m. at the Congregational UCC Church, E201 23rd Street, Brodhead. If the parent is unavailable at this time, they may have someone else pick up the gifts with a signed note from the parent.

Let's work together to make Christmas delightful for all our Brodhead children this year. Thank you for supporting the Brodhead Optimist Club.

Art for all...

Come out to the Durand Library on Saturday, November 4, at 10 a.m., and explore the difference in oil paints, acrylics, and watercolor with featured local artist and instructor, Kathryn Heitzman (Kat). There are many styles of art and we will touch on several of them covering the pros and cons of each. We will also discuss creativity and how to overcome obstacles in your own art.

Kat's mission is to create community through art. She is a self-taught artist that loves teaching others, both children and adults, to bring out their own inner-artist. Her teaching experience ranges from individual to group and both public and private sessions, and includes The Whiz Kid program at Rock Valley College.

For her personal work, Kat creates with many mediums, inspired by realism and surrealism alike from what she sees in nature and imagines while reading books. She also enjoys making practical custom merchandise that people can use on a daily basis.

As an artist Kat expresses herself using many different mediums such as oil, acrylic, watercolor paints; drawings with colored pencils; graphite or marker; pyrography; resin/epoxy art and alcohol ink; photography, glass, jewelry and textiles including sewing, quilting, leather and mixed media arts.

Kat's art can be seen in local art galleries as well as local art shows and events in the Rockford and Chicago area. She also has several art pieces at the Freeport Art Museum gift shop, rotating art there every quarter so there is always something new to see.

This event is hosted by the Friends of the Durand Library. The group staffs the combined school and village libraries on Saturdays from 9 a.m. until noon. Check out privileges are free to all residents of the school district.

In addition to books, you will also find digitized Durand newspapers dating back to the late 19th century, STEM toys and DVD's for check out. Please enter from the east, or playground, side of the school building and follow the signs to the library.

## Annual Eighth Grade Washington, DC Trip

By Lisa Semrow, Middle School Principal/Curriculum Director

Members of Brodhead Middle School's eighth grade class returned late Saturday, October 21, from a trip to our Nation's Capital, Washington, DC. Forty students and 34 parent/adult chaperones made the trip with four of them being school chaperones: Mrs. Jennifer Hake, Mr. Shane Miller, Mr. Dan Rueckert and Mrs. Heather Kundert.

This year's trip marks the 27th year that Brodhead Middle School students traveled to Washington, DC. Students awoke very early on the morning of Thursday, October 19, and boarded a bus for Chicago's O'Hare airport. The tour group arrived in the DC area at approximately 10 a.m. and toured each day until their departure for home on Saturday.

On Thursday, the groups first stop was at the National Zoological Park and then had a picture stop at the U.S. Capitol. They then visited the U.S. National Archives Museum, U.S. Marine Corps War Memorial "Iwa Jima", Pentagon Memorial, and took an illuminated tour of monuments and memorials. On Friday, the group visited Ford's Theatre, Petersen House and Arlington National Cemetery, where they were able to witness the "Changing of the Guard" at the Tomb of the Unknowns. After the ceremony, four students: Matthew Nordeng, Hayden Elmer, Sawyer Phillips, and Peyton Jordan laid a wreath at the Tomb, on behalf of the middle school and the community of Brodhead.

Other sites visited over the three days include the Smithsonian Museums, World War II Memorial, Lincoln, Vietnam Veterans and Korean War Memorials, U.S. Capitol Building, Library of Congress, and the Holocaust Memorial Museum.

The middle school would like to thank Dan Rueckert, our eighth grade social studies teacher for acting as the trip's tour coordinator again this year. The eighth grade social studies classes incorporate their experiences into the curriculum throughout the school year.

The cast of Guys and Dolls the musical look forward to performing November 10-12, tickets can be purchased now at Brodhead High School. (Free Press photo by Teresa Earleywine)

## Children's Story Time News:

Miss Laura, AML Children's Librarian

The end of October is the end of our "DUCK INTO THE LIBRARY" theme (Quack Open a Good Book!). We've put together duck puzzles (Gossie and Gertie) and used duck finger puppets (That Is Not A Good Idea!). The Albany Thrift Store has let us borrow a bunch of socks to help us with matching (Lizette's Green Sock and Duck Sock Hop). Farmer Duck was a big hit . . . we practiced our animal noises: QUACK! MOO! BAA! Our next theme is 'DiNovember.' We'll read a bunch of stories about dinosaurs and the troubles they get into. Our Albertson Memorial Library dinosaur will be featured on our Facebook feed. Look for his crazy antics there! Some of our activities will include making dinosaur eggs and tracing dinosaur shadows. We might even do some salt dough fossils. Perhaps a mario-nette? If you're interested, Preschool Story Time meets every Tuesday at 10 a.m. at Albertson Memorial Library. The library isn't open for regular customers, so we've got the place to ourselves and can have all kinds of noisy fun! Looking forward to seeing you!

Green County Sheriff's Department

October 21-29, 2023

At 11:11 p.m., Saturday, October 21, the Green County Sheriff's Office received a report of a single vehicle crash in the W500 block of Stateline Road, Town of Spring Grove. Deputies along with Brodhead Fire Department, Brodhead EMS, and UW MedFlight were dispatched to the scene. Initial investigation revealed that a purple 1997 Chrysler Cirrus with one occupant was traveling northbound on Best Road (IL) and failed to stop at the stop sign at the intersection of Best Road and Stateline Road. This vehicle then collided with an embankment on the north-side of Stateline Road. Following the collision with the embankment, the vehicle became airborne and entered a field where it overturned numerous times before coming to rest and combusting in flames. The vehicle sustained severe disabling damage and was towed from the scene. Due to the extent of the damage, airbag deployment and restraint use are unknown. The operator of the vehicle sustained life-threatening injuries and was transported by medical helicopter for treatment. The driver succumbed to his injuries on Sunday, October 22. The driver has been identified as Adam P. Buckler, 29, of Davis, Illinois. The roadway remained closed for approximately two hours. No additional information will be released at this time. The crash, which is Green County's fifth traffic fatality of 2023, remains under investigation.

## Brodhead Lions held Annual Banquet

**By Casey Jones**

The Brodhead Lions Club held their annual banquet Monday, October 23 at Bridge's Bar. It featured a social get together featuring the group "In bed by 9" followed by a buffet dinner. At the end of dinner, the Brodhead Lions installed their new officers for the 2023-24 year. The 29 members and guests who attended the event listened while various committee chairs enlightened them on all the activities and projects the Brodhead Lions take part in. Activities and projects the Lions participate in include, Eye screening for students, eye glass collection, community projects, rose sales just to name a few.

The highlight of the night was the presentation of two Melvin Jones awards. The Melvin Jones Award Lions Clubs International recognizes outstanding individuals by bestowing on them an award that is named for its founder, Melvin Jones. This Fellowship Award is the highest form of recognition and embodies humanitarian ideas consistent with the nature and purpose of Lionism.

Brodhead Lions receiving the award this year were Dennis Miller and Jim Huffman. They were presented their awards by Doug Johnson, treasurer and Doug Pinnow, president of the Lions. Both award recipients were selected for their many years of service and dedication to the ideals associated with being a Lion.

I am a Brodhead Lion and I encourage others who have a heart for service to join. Both men and women are invited to join.
