

New sign at Legion Park

On Friday, October 28, Brodhead Water and Light and WPPI presented a sign at the Legion Park Diamond in Brodhead in recognition of Wade Boegli's many years of service to the Brodhead Park Department. Brodhead Water and Light and WPPI donated the LED lights for the field.

Made a difference

By Stephanie Tresemer

On Saturday, October 29, from 9-11 a.m. I asked for help, and over 120 volunteers SHOWED UP! Seeing so many grown-ups working alongside our youth to lend a hand was magical. I am proud of the collective efforts of GOOD humans in our community.

Thank you to the Brodhead Fire Department for the use of the station as our "home base." Volunteers checked in and grabbed donated snacks before accomplishing the following:

Landscaping improved at BMS with 200 plants and 300 bulbs

Eight bags of garbage collected from TOOL's mile of adopted highway on Highway 104

Yard raked for a kind-hearted local couple out by the airport

Bookmarks crafted for the library

Landscaping stones moved at the

Brodhead Police Station

Hundreds of steel poles painted for use along the snowmobile trails

Items transported from a local business affected by the recent fire

Brush and invasive trees cleaned up at the Brodhead Arboretum

Porch swept and leaves raked at the Brodhead Senior Village

Six fleece blankets tied for donation to Family Promise of Green County

Assisted Lions Club members with the hanging of Christmas lights downtown

A dozen tug toys braided for the Green County Humane Society

LOTS of leaves raked for a resident with a BIG yard

Three tractors and wagons of volunteers trick-or-treated around town for non-perishable items for the Brodhead Food Pantry

I am grateful, humbled, inspired,

and proud.

It's Optimist Mitten Tree Time!

Helping the children of our community and throughout the world is the sole purpose of the Brodhead Optimist Club, a proud member of Optimist International. What better way to do that than by providing Christmas gifts to children in need. But we need the whole community to help us make this project successful. The Susan Welch Mitten Tree Project is designed to help families of children who have eighth graders or younger who live in the Brodhead School District and are having difficulty providing Christmas gifts for their children.

Applications can be picked up by the parents or guardians at the Bank of Brodhead, the Bank of New Glarus—Brodhead Branch,

Level 4 Playoff Not in the Cards

By Teresa Earleywine

Brodhead-Juda had hopes of avenging their regular season loss against Prairie du Chien when they met in the third round of the WIAA Division 5 football playoffs this past Saturday. The Cardinals, on their second possession, found paydirt when Gunner Boegli caught a 74-yard pass from Gabe Bockhop. Brodhead was on the board with a 6-0 lead when the point-after-kick was wide. The Blackhawks on their next drive would get deep into Cardinal territory. On third down they attempted a pass play to the end-zone. The receiver had the ball in his hands but dropped it as Aidyn Vondra was there to break-up the play. PDC goes for a field goal but that is blocked by Joe Lohmar to preserve Brodhead's lead. The remainder of the first half would be the teams trading ball control.

This game would be a defensive stance for both teams and challenged by the strong winds and wet conditions being a factor. Both teams were also hit with significant penalties throughout the game. At the half the score remained 6-0.

Leon Saunders (BJ) was back playing after recovering from an injury that has kept him sidelined most of the season. He was a key factor as the third quarter opened with the Blackhawks opening possession. Saunders with his speed helped limit PDC from gaining yardage and they punted to Brodhead. The Cardinals would be three-and-out and Blackhawk would get another shot. This time, the Blackhawks put together a 72-yard scoring drive near the end of

the third quarter. They took a 7-6 lead with a three-yard endzone run. Again, BJ will punt after three plays. The Blackhawks have momentum and the ball. They marched 80 yards on eight plays and at the start of the fourth quarter, a 23-yard run caps off a second touchdown for the Blackhawks and they have a solid 14-6 lead. Brodhead is desperate to get something going in their favor. PDC forced the BJ offense off the field after a fake punt comes up short of a first down. With their next possession, and the Cardinals racing against the clock, a screen pass from Bockhop to Isaac Saunders gets them their first down of the second half. But it is not enough. QB Bockhop would leave the game due to injury, later determined his upper arm had been broken. Marcus McIntyre would take over the duties of QB. Brodhead turns it over on downs and PDC manages the clock. The 14-6 final score will move the Blackhawks to round four.

In his post-game interview, Coach Jim Matthys reflected on the impact his five seniors; Austin Moe, Aidyn Vondra, Leon Saunders, Sean Huffman and CJ Streuly have had on Brodhead Juda football. He stated, these seniors were part of the turning point and getting Cardinal football back on a winning track, "Some will see our glass as half-empty but our glass is really half-full."

Statistics: First downs—BJ 12, PDC 36. Rushing—BJ 28-62, PDC 47-276. Yards Passing—BJ 114, PDC 13. Passes—BJ 14-6-0, PDC 2-12-0. Fumbles—BJ 0-0, PDC 1-0. Penalties—BJ 5-55, PDC 5-40.

Mamma Mia!**

Brodhead High School choral department presents their first musical performance since 2018! Director Sara Jordan has selected the toe tapping, high-energy musical Mamma Mia!

The musical takes place on a small Greek island, Sophie dreams of a perfect wedding—one which includes her father giving her away. The problem? Sophie doesn't know who he is! Her mother Donna, the former lead singer of the 1970s pop group Donna and the Dynamos, refuses to talk about the past, so Sophie decides to take matters into her own hands. Finding her mother's old diaries, she discovers three possible fathers: Sam, Bill, and Harry. Secretly she invites all three to the wedding, convinced that she'll know her father when she sees him. But when all three turn up, it may not be as clear as she thought! Told through the legendary music of the musical group ABBA, *Mamma Mia!* has become a worldwide sensation that has audiences everywhere dancing.

Mark your calendars for Saturday, November 12th at 7 p.m. and Sunday, November 13th at 2 p.m. Doors open one hour prior to performance for general seating.

You will want to get your tickets for this fun event! They can be purchased starting Monday, October 31st at the high school office for a discounted price of \$10 for adults and \$7 for students and children under 12 years of age. They can also be purchased for \$12 at the door on the day of performance.

Annual Eighth Grade Washington, DC Trip

Members of Brodhead Middle School's eighth grade class returned late Saturday, October 22, from a trip to our Nation's Capital, Washington, DC. Fifty-one individuals in all made the trip including four school chaperones: Ms. Jessica Gardipee, Mr. Shane Miller, Mr. Dan Rueckert and Mrs. Heather Kundert.

This year's trip marks the 26th year that Brodhead Middle School students traveled to Washington, DC. Students awoke very early on the morning of Thursday, October 20, and boarded a bus for Chicago's O'Hare airport. The tour group arrived in the DC area at approximately 10:30 a.m. and toured each day until their departure for home on Saturday.

On Thursday, the group had a picture stop at the White House, then traveled to the Smithsonian Museums in the National Mall, National Air and Space Museum, Natural History Museum, Washington Monument, Jefferson, FDR, and MLK Memorials. On Friday, the group visited Arlington Cemetery and was able to witness the “Changing of the Guard” at the Tomb of the Unknowns. After the ceremony four students: Abigail Vickers, Brielle Engen, Lillian Sievers, and Kelsey Bedward laid a wreath at the Tomb, on behalf of the middle school and the community of Brodhead.

Other sites visited over the three days include the U.S Marine Corps War Memorial “Two Jima”, World War II Memorial, Ford’s Theatre, US Capitol Building, Air Force Memorial, Supreme Court, Library of Congress, and the following memorials: Lincoln, Vietnam Veterans, and Korean War Memorials.

The middle school would like to thank Dan Rueckert, our eighth grade social studies teacher for acting as the trip's tour coordinator again this year. The eighth grade social studies classes incorporate their experiences into the curriculum throughout the school year.

JHS teacher Joe Lyne is teaching a class of eighth graders the skill of woodworking. One student, Braden Austin, aspires to be a construction worker. These skills will be essential to his dream career. To him this is more than a woodworking class, it's an inspiration to do better in his own life and to better the lives of others.
