the age of 76. Born on January 2, 1949, in Waterloo, Iowa, to Hurbert and Marian Regenold, Sherril lived a life marked by compassion, dedication, and service to others. She was preceded in death by her infant son, Jonathon; her parents; and her

brother, Douglas.

Fowler Memorial Dental Clinic to Host Upcoming Fund-raising Event

The Fowler Memorial Dental Clinic in Monroe is gearing up for its upcoming fund-raising event, and the community is invited to join in supporting the important work the clinic provides to residents of Green and Lafayette Counties.

The clinic is more than just a source of oral health care; it is also a living tribute. It was named in honor of Dr. Donald Fowler, a proud 1971 Brodhead High School graduate and beloved dentist who dedicated his life to serving others. Dr. Fowler was a fiercely devoted family man, deeply committed to those he loved, and he carried that same spirit into his practice. Known for his easygoing nature and kindness, he treated every patient as though they were family. He was generous with his time and talents, and he never turned anyone away who was in need of care. His legacy of compassion, service, and excellence in dentistry continues to guide the mission of the clinic that bears his name.

Today, Fowler Memorial Dental Clinic fills a critical gap in local health care. It is the only dental clinic in Green and Lafayette Counties that accepts Medicaid (ForwardHealth), BadgerCare, and also treats patients without insurance. As a non-profit organization, the clinic relies on grants, donations, and community support to maintain its operations and ensure access to care for everyone, regardless of their financial situation.

At the heart of the clinic's success is its dentist, Dr. Alison Taleb, known for her compassion and dedication to exceptional dental care. With extensive training under leading pioneers in the field, Dr. Taleb combines advanced skill with a welcoming, "judgement free" approach that puts patients at ease. Her mission is to provide high-quality, accessible, affordable care while creating a supportive environment where every patient feels valued. Her warmth and enthusiasm for life carry into her work, where she is committed to building lasting relationships and helping patients achieve healthy, confident smiles.

The upcoming fund-raiser will take place Friday, October 10th, 5-8 p.m. at the Monroe Country Club and will feature carnival games with prizes, face painting, a 50/50 raffle, a silent auction, live music by Hugo Espinoza, hors d'oeuvres, a cash bar, and fun for the whole family. All proceeds will enable the clinic to continue its mission of providing affordable and accessible dental services to those who might otherwise be unable to receive

The Fowler Memorial Dental Clinic continues to serve as a reminder that health care is not just about treating patients. It is about caring for neighbors, honoring those who came before, and building a stronger future for the community.

Happy Banned Book Week! Since 1982, every year, many schools and libraries around the country celebrate Banned Book Week, either on the last week of September or the first week of October (October 5-11th for 2025). It is a time to reflect on the essential role libraries play in ensuring open access to ideas, supporting curiosity, discovery, and lifelong learning. During this time, we wish to celebrate the joy of reading and affirm that everyone should be free to choose the books that matter most to them.

The freedom to read means that everyone can choose for themselves what they wish to explore, learn, and enjoy, whether that's a beloved classic, a new bestseller, or a story that introduces them to an unfamiliar viewpoint. The Brodhead Memorial Public Library hopes you have a great Banned Book Week, and we hope you celebrate it by, of course, reading!

A Clear Eyed Look at Columbus Tuesday, October 14

Submitted by Barbara Flores, President, Friends of the Durand Library

Was Columbus a true genius of the seas, or just the luckiest guy ever to sail the earth? Dave Dini invites you to come hear this story and decide for yourself. Please join us Tuesday, October 14 at 7 p.m., in recognition of what we have traditionally celebrated as Columbus Day, when Dave will share his cleareyed look at the man whose discovery of the New World changed the course of history. Dave is a modeler and member of the Stateline Area Modelers (SAM) Club from Durand, Illinois. His special interest is wooden ships, and over the years he has built 1/64 scale wooden models of Columbus's three ships, which were used for that famous voyage.

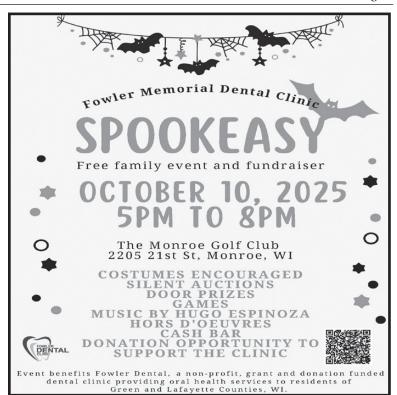

Dave's presentation, The Story of Christopher Columbus and His Famous Ships, includes some history, some storytelling by Dave, some humor, and of course some controversy. Models of the three famous ships will be on display, as well as some artifacts related to the history of this famous explorer.

Cardiac Cards Return to Volleyball Court

By Teresa Earleywine

Cardinal volleyball swept Clinton in three sets: 25-15, 25—14, and 25—20. Brynn Riesterer continues to be a force at the net garnering 10 kills and four blocks. Gretchen Kammerer tallied 21 assists and six kills at the net. From the serve line with two aces each was Addie Leifker, Karli Krumweide and Kammerer. Leifker and Krumweide combined for 26 digs.

At Edgerton last Thursday, saw the return of the "cardiac" Cards. In the two opening sets the Tide were clearly in control winning 13-25 and 17-25 before Brodhead came alive in the third set. With the score knotted at least four times and neither team leading by more than three throughout the game. The fans were loud and proud cheering on their team and it would be Brodhead with a 25-23 score edging out the Tide. The Cards jumped out to an 8–2 lead in the fourth set. Then they had a 12-6 lead but Edgerton was on a comeback mission. Again the score see-sawed back-n-forth, 14-14, 20-20, and 23-23 was reflected on the board. This time, Edgerton came out on top 23-25 taking 3-of-4 sets.

Kammerer hustled for 26 assists, Dahl 26 digs, Leifker seven aces, and Riesterer put up four blocks and had 15 kills, with many other team members showing their grit and strength.

They play at home twice this week, Tuesday hosting Big Foot and Thursday taking on Beloit Turner. Parents and seniors will also be recognized on Thursday.

As part of the National 4-H Week festivities, Green County 4-H families will be showing their 4-H pride on Wednesday, October 8th by wearing a 4-H t-shirt or a green shirt to school or work. 4-H clubs will also be putting up window displays in local communities throughout the county, showcasing the many opportunities 4-H offers.

Taylor Strohecker, Organizational Leader for the Clarence Bridge Pioneers 4-H Club, says, "I love that 4-H offers youth the ability to experience new activities they may have never tried if 4-H didn't offer the opportunity"

ROAR! A Noisy Counting Book (by Edwards) directed all the preschooler fun at Albertson Memorial Library's Story Time on Tuesday. The peas in 1-2-3 Peas (by Baker) featured peas doing all kinds of crazy things: painting, fishing, gardening, swimming, racing, and building. The owl in Look Whoooo's Counting (by MacDonald) kept busy counting forest animals. The preschoolers practiced counting and clapping out the count. A scavenger hunt of African animals helped! Finally, the youngsters glued the animals onto their own scavenger hunt worksheet. Afterwards, there was plenty of time to look for books to check out.
