VetsRoll around the state line area!

The second annual VetsRoll benefit ride was Saturday, September 21. It started at the Venetian Club in Rockford with a send-off prayer by Commander Nancy Clark of the 7th Street VFW and RFD Ladder 9.

According to Beth Zimmerman, the event coordinator, the 100 bike ride with a Badger Bus carrying 40 passengers (many veterans) was escorted by members of Fire and Iron, and Steel Pigs motorcycle clubs who were assisted by Rockton Fire Department, Rockton Police Department, Durand Fire Department, Orfordville Fire Department and

Brodhead Fire Department.

The route stopped at Rockton American Legion, Durand American Legion, Orfordville American Legion, Beloit VFW and then returned to the Venetian Club for dinner, raffles and entertainment.

The event raised more than \$10,000 for veteran charities. They are already planning next year's third annual VetsRoll ride.

Saturday Mornings at the Durand Library

Presentation on the Geography of the Old **Testament**

Submitted by Barbara Flores, President, Friends of the Durand Library

Please join us at the Durand Library Saturday, October 5 at 10 a.m. for a fascinating look at the locations where events of the Old Testament occurred. Mark Peterson will take us to a place and time where pivotal events were taking place which have shaped the world. Mark holds a master's degree in history and has presented talks at the Center for Learning in Retirement in Rockford as well as the Lifelong Learning Center in Freeport on this and other topics.

He will discuss the geography and history of that part of the world, which is called the Holy Land and how geography played a prominent role in the Bible. For instance, significant Biblical events took place on mountain tops. The Jordan River, both the crossing of it and its role as a real and symbolic boundary, is mentioned often in the Old Testa-

The talk will begin with a discussion of the Patriarchs, then the time Israelites were in Egypt, the Judges, the Kings, and the split kingdoms. We will also learn about the invading empires: Assyrian, Babylonian, Persian and Greeks, concluding with the success of the Maccabees rebellion as well as the ultimate Roman control in 63 BC.

The Christian Bible is the most read book in the world and sections of it form part of both Hebrew and Islamic holy texts. Please join us for this fascinating look at the Holy Land and its fundamental place in history. It will be a trip back in time.

Brodhead Car Enthusiast

The Brodhead United Methodist Men (UMM) are hosting their second annual Car Show on Saturday, October 19th. The event is a group effort stemming from a love of classic cars, including Brodhead's Bob Anderson. Anderson, a member of Brodhead UMC since 2012, acquired his first classic car, a 1940 Nash, at age 15. He has owned and restored 15-20 classic cars, including his current work on a 1949 Ford Coupe. "I'm about 80% done with the work on the Coupe," says Anderson, "it usually takes two years to restore a car." He does about 90% of the work himself in his garage. He currently shows his 1963 Chevy Biscane.

Anderson has been active in car shows throughout the Midwest since joining the Marquis Car Club in Williams Bay about 13 years ago. He currently serves on the board of the car club, which was founded in 1958. The 2023 Brodhead UMM car show was "a good start' according to Anderson. "We are adding food, music and a car wash this year," says Anderson, "We're hoping to have 200 cars this year." According to Dan Brown, one of the coordinators of the two-day event, "We will hit the road on Sunday, September 20th for a color run from Brodhead to New Glarus. Participants with all kinds of cars are invited to meet at the Church at 11 a.m. Sunday."

Car and motorcycle enthusiasts, both classic and unique, are invited to the 2024 Car Show, running from 10:30 a.m.-4 p.m., at Brodhead United Methodist Church, 501 1st Center Avenue. Registration will be day-of at the Church parking lot. Attendees will be invited to vote for a "Best of Show"

Brodhead UMC is "open hearts, open minds, open doors." Brodhead United Methodist Church is open for worship Sundays, 9 a.m. All are welcome.

Albany Lions "Stuffed The Bus" With School Supplies For Local Children

The Albany Lions Club teamed up with the Albany School District and invited the community to help them "Stuff The Bus" with school supplies on Saturday, August 3rd at their annual "Pig Out" and raffle that was held at the Albany Lions Club building.

Donations for the 13th Annual event were picked up at several location drop off points throughout the months of July and August. About \$2,000 in supplies and cash donations for school supplies were received.

According to Dean Houlberg, project chairperson of the Albany Lions Club, "the donated school supplies will make a difference in the lives of our local children and will give them the supplies they need to be successful in school." The Lions Club plans to keep this as an annual event that will be held in conjunction with their successful "Pig Out" and raffle event.

Kurt Soderberg, Albany School Superintendent, said, "the donated supplies will be given to students in need through their teachers' requests".

The Albany Lions Club has 67 members and meets on the fourth Wednesday of each month at 6:30 p.m. at the Lions Building. Lions Clubs are a group of men and women who identify needs within the community and work together to fulfill those needs.

For more information please contact Kurt Dickinson at 608-444-7487 or any Albany Lions Club member.

What a RIOT! Last week we made chocolate bears during story time at Albertson Memorial Library. Plastic spoons dipped in melted chocolate made the bear's head. Junior Mints and M&Ms for the nose and ears... but who knew that the melted chocolate would take so long to harden? Our bear faces slowly collapsed! By the time we were finished, the Junior Mint nose was stuck to the bear's neck! And lots of our faces were smeared with chocolate! But

there was a lot of laughter for the last day of our bear stories. Next up: Where the Wild Things

Next up: Where the Wild Things Are: Wild About Reading! We featured giraffes on Tuesday, October 1st by painting with a clothespin and sponge and will feature monkeys on Tuesday, October 8th by making a small monkey puzzle suitable for preschoolers. Future story times will spotlight elephants and lions and tigers (oh my!). Maurice Sendak would be proud.

As always, we meet on Tuesday mornings at 10 a.m., well before the library opens so we have the place to ourselves. Things can get a bit wild (pun intended) but in a fun way! We'd love to meet some new friends! Won't you join us?
