SCHOOL OF

MUSIC

Master the road to becoming an accomplished music performer. Learn the fundamentals in rehearsal techniques, lead performance and recording your own music. Take part in master-classes to learn how to control an audience and engage listeners with your music.

LEVEL 2 COMBINED

Our full-time Level 2 Combined Course is a mixture of both Music Performance & Technology, giving the learner a taste of both subjects before choosing a specific pathway.

LEVEL 2 PERFORMANCE

If you're interested in Music and wanting a place to start, our full-time level 2 course is perfect for those wanting to explore their talents and to gain confidence before moving onto Level 3.

GOT WHAT IT TAKES?

You'll need a heap of passion and a mix of GCSE grades, with the majority at 1-3 (G-D), or equivalent.

AND THEN WHAT?

Why not level up to Level 3 performance or production, where you can really get into specifics or try something new like games or digital media.

HOW TO APPLY?

You can apply for any of our courses by simply going to www.music-projects.com and filling in an online application form. It only takes 5-10 minutes to complete and we look forward to receiving your application.

WHAT YOU NEED

Creative passion and energy always comes first, however we need to place you on the correct course for your current skill set;

Level 2 - You will need a mix of GCSE grades with a mix of 1-3 or G-D

Level 3 - You will need a mix of GCSE grades with a mix of 4-9 or C-A*
Other grades will be considered on a place by place basis.

Level 4 - You will need to show that you have worked successfully at a Level 3

INTERVIEWS

Once you have applied, we will contact you to arrange an interview date. Your interview is all about placing you on the right course, rather than being a test of your abilities. Do come prepared to discuss your creative and academic ability and feel free to bring a portfolio of work, or show us a links to your work online if you feel comfortable to do so.

NEED HELP?

Please let us know if you need any support with completing your application form or any special arrangements for attending your interview,

MISSION, VISION & VALUES

Our Mission:

'to deliver high quality education in the field of Creative Arts and Digital Media which is inclusive and matches the diverse needs of our learners'.

TMP College will provide high quality education covering music performance, music technology, media make up and SFX, digital media, IT, games design as well as functional skills and GCSE tuition in English and Mathematics. The College also provides professional private instrumental and vocal tuition.

Our Vision:

'To provide a high quality learning experience and improve life chances for young people whilst broadening horizons for all.'

Our Values:

Passion: The passion and interest in creative arts and digital media and how they can be used to motivate people to develop and improve their life chances. The passion goes beyond a deep interest in the subjects to a determination to make this young business a success for all its staff and students and for the local community.

Learner Focus: At TMP College the focus will always be on the needs of learners and customers. TMP College has built the business around learners and customers by understanding the needs of the target audience excellence, striving to provide quality in the student experience educationally and socially.

Innovation: Innovation will be the key driver in all areas of TMP College's business, developing a creativity and desire to generate new ideas, evaluating their cost-effectiveness, assessing the risk and carrying out market research around the implementation to secure success.

Inclusivity:

We will strive to reach the broadest audience possible by encouraging learners of all ages and abilities, and from a variety of backgrounds and ethnicities to access our learning programmes and professional tuition services.

LGBTQ+

At TMP College we heavily promote Equality and Diversity. Each year we enjoy displaying our TMP stall at Wigan PRIDE Festival and encourage our students to take part in performing on the main stage in Wigan town centre,

Wigan Pride is an annual free LGBTQ+ Pride Event, celebrating equality, diversity and difference across the Wigan borough.

MATHS & ENGLISH

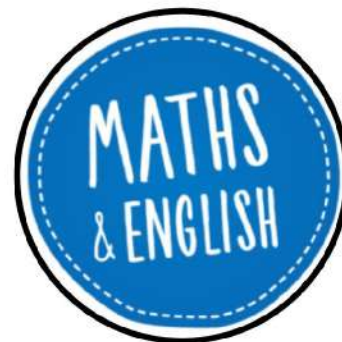

GCSE

Don't worry if you haven't achieved your GCSE Maths or English this time around, at TMP we offer students the chance to retake these GCSE's*

*subject to achieving a grade 3

FUNCTIONAL SKILLS

If you didn't achieve a Grade 3, your next option is Functional Skills starting from Entry 1 through to Level 2 (GCSE equivalent)

EHCP LEARNING SUPPORT

At **TMP College** we pride ourselves on our diverse range of teaching and learning delivery methods and strategies. We understand that not everyone will learn in the same way, at the same pace or in the same environments.

Therefore we priorities everyone's learning needs at the initial stages of meeting new learners and parents to develop an atmosphere within classrooms that meet these needs.

We work with many different local authorities within the North West of England to ensure there is sufficient learning support in place for anyone with an **Education Health Care Plan**. We also will assist in organizing transportation, travel training, chaperoning and other care needs alongside a learner's creative education.

TMP College hosts optionally **PFA** (preparation for adulthood) sessions at the end of each week to develop independent skills for learners who identify areas within their skillsets that need improvement. These can include sessions such as textiles, healthy living, DIY, self-defense, understanding budgets, developing social skills and more.

We are very proud of our learner's journeys and constant progress shown with a big thanks to our pastoral and wellbeing team. TMP is **Matrix Accredited** in providing professional information, advice and guidance.

WORK EXPERIENCE

TMP strongly believes in the value of our qualifications, student experience and skillsets we provide throughout your time with us. So much so that we very often employ our own learners upon completion of their qualifications to pass on their knowledge, skills and the ethos gained to upcoming students.

Throughout your time at TMP College there will be many opportunities to gain work experience via TMP's own projects as well as external opportunities within our extensive range of industry contacts and businesses.

THE LOTTERY WINNERS

The Lottery Winners are a British indie pop band from Leigh, Greater Manchester. And have played major UK Festivals including **Glastonbury** and **Kendal Calling** along with supporting **Tom Jones** on his UK Tour. Katie - Bass player and Joe - Drummer both work a TMP and offer great insight into the music industry as professional artists.

THE LATHUMS

These four lads met at TMP College back in 2017 and have been unstoppable ever since. After signing to the infamous record label **Island Records** they have toured with the likes of **Gerry Cinnamon**, **Blossoms** and **Paul Weller**. Not only that, they have the bagged main stage at all the major **UK festivals** next summer!

ALEISHA WELLS

Aleisha has successfully earned herself a **Tattoo Apprenticeship** after developing her Tattoo design and Illustration portfolio this year, she has already started tattooing clients and is on her way to becoming an established **Tattoo artist** - watch this space!

THE VOICE

As a College we have been asked to hold **The Voice** auditions in which all of our students are welcome to take part. This is an amazing opportunity for our music performance students in particular and has proven to be a **success** as four of our past students have gotten through to the second **auditions**.

ALEX STRICKLAND

Alex is a past music student at TMP, and impressed us with her work ethic, social skills and music ability and has now gone on to work for us as a **support tutor** and 1-2-1 music tutor. Not only that Alex is a working musician and regularly **headlines** gigs on the weekends

JOHN KETTLE

John is an established **music producer** and guitarist in popular folk rock band **Merry Hell**. He is a **music technology tutor** and he offers huge amounts of insight into the music industry. John encourages our learners to take part in work experience in our in-house **music studio**, giving them the chance to work with well-known and upcoming artists.
