First Aid Training

Over 50 TMP students were recently given the opportunity to take part in a Level 3 Emergency First Aid training course. The students spent a whole day learning essential first aid skills including, how to react to certain incidents and how they can help. The certificate awarded is recognised by employers and is fantastic to place on a CV. The students taking part did exceptionally well, our training provider had amazing things to say about our learners, and commented how mature their approach had been.

Greeting

Hello,

The end of the 23/24 academic year is fast approaching and what a year it has been! The students should be proud of the progress they have made throughout the year. The students have taken part in a wide range of opportunities some of which are in this newsletter. Thank you to the students for your hard work and commitment to your courses and to parents for your continued support.

TMP College had a full inspection by Ofsted during May 2024. Several inspectors spent 3 days in College observing classes and meeting our students and staff. We are delighted and proud to announce that Ofsted judged the overall effectiveness of TMP to be Good and that we achieved Good in every category, including Quality of Education, Behaviours and Attitudes, Personal Development, Leadership and Management and Provision for learners with high needs. The Ofsted Report, which is full of praise for TMP and its students, will be available before the end of June, and can be found here: <https://reports.ofsted.gov.uk/>

We would like to extend our gratitude to all students and parents who participated in the inspection, either directly or by completing questionnaires.

New TMP college campus.

Our Wigan campus is expanding with brand new facilities including;

E-sports Arena, Dance, Recording, Photography, Media, Art & SFX Studios, Rehearsal Rooms, Drama Theatre & more...

We will soon be announcing some 'tour dates' for August when you'll be able to come and check out our new 25,000sq ft college campus!

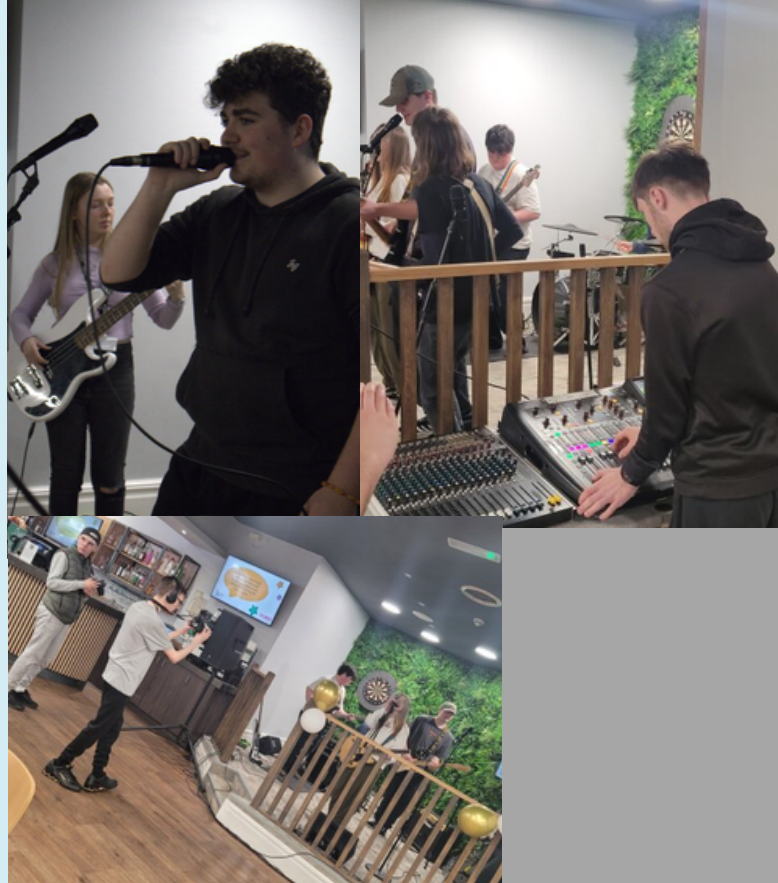

The new building will allow for all the students to be under one roof, which will provide us with even more opportunities to collaborate with one another on new and exciting projects. There is a large communal space where students can relax and interact with their friends on their break and lunch, as well as plenty of rooms in addition to classrooms for students to use. The classrooms are being designed to provide the best possible vocational content, for instance Performing Arts classroom has a purpose built stage and prop area. Our aim as always is to deliver a high quality education for all students and this new site will only assist us further on achieving this outcome.

The Brick Stadium Volunteers Event

In honour of volunteers week, the Brick held a volunteer's event at The Brick Stadium, in thanks to all the volunteers who dedicate their time and work tirelessly for the local community. They invited the Music Performance and Music Technology students to perform at the event. Media students also attended to photograph and film the event. The students were happy to provide the entertainment for such a good cause.

The Music students did a fantastic job at entertaining the audience making them laugh and the Media students got some good photos and videos of the performances

NATSPEC Convention

Four of our Level 3 Music learners, Kylie Morgan, Lil Hall, Emily Smith and Owen Riley along with the self appointed 'King of the Students', Connor Yates performed at the annual Natspec convention. The convention took place in the beautiful Midland Hotel on 11th June. The learners performed to an audience of 200 plus college principals from all over the UK, and had them on their feet throughout their set, which formed part of their submission for their final major project. The performance was so successful that they were offered three professional engagements as a result. On mixing desk duties for the live sound was the ever enigmatic Extended Diploma Music student, Morgan Bolt, whose sound was as sharp as his outfit! As for Connor, well what can we say? He bounded onto the stage in an immaculate Elvis inspired jumpsuit and proceeded to deliver a performance that will live long in the memory of all who attended. King of the students? Nah! KING OF THE WORLD!! Connor has left the building.

FASHION-EASTER at the Grand Arcade

TMP college came together to support the launch of the 'Rebuild with Hope' charity store in The Grand Arcade. The Fashion-Easter runway event provided the opportunity for every course to take part, showcasing their skills, talents and selling products. There were live performances from the Music and Performing Arts students along with our resident DJ Brody Brockbank.

Graphics Students did the makeup for the models and performers. While Media captured the whole event through video and photographs.

TMP College Spring Fayre

Back in April, once again all of the students came together for our Spring Fayre. Families and members of the public were invited to raise money for The Brick charity. The event was bursting with TMP stalls with other organisations setting up their own stalls alongside. We had live performances from our music students throughout the day and we raised an amazing £889.72!

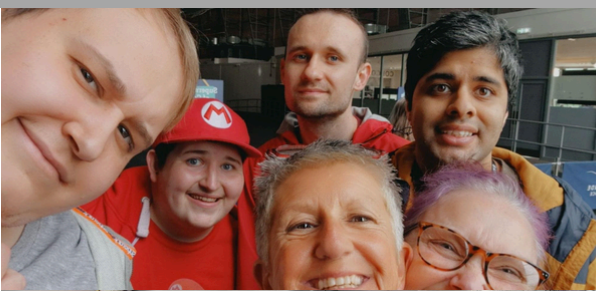

Graphics Convention

The student art convention was a resounding success, drawing an enthusiastic crowd of attendees and participants. The event showcased an impressive array of talent, with students presenting a diverse collection of artworks, ranging from traditional paintings to innovative digital pieces. This achievement was made possible by the dedicated hard work of tutors and support staff, who provided invaluable guidance and logistical support. Their efforts ensured that workshops and interactive sessions were well-attended, making a positive and vibrant atmosphere of creativity and learning. The positive feedback from both the audience and the artists underscored the convention's impact, highlighting its role in not only celebrating student artistry but also in inspiring future artistic endeavours.

Adult Social Care

Adult Social Care have been taking part in a wide variety of activities throughout the year, accessing the community and building vital independent living skills, all while having fun along the way! This year the group also raised money for red nose day, which included karaoke outside the college building featuring a special feathered guest!

Upcoming Event 80s themed Prom

The Student Council have decided for this year the theme for the college prom will be the 80s. It will be held at The Brick Stadium, 6pm till 9pm on Wednesday 26th June. All students and staff are invited, you can wear clothes that are 80s themed and the music will be 80s themed as well. Our very own DJ Andy will be performing. Any questions speak to your Student Rep.

Final message.

Finally, as the academic year comes to a close it is only fitting that we say a farewell to our students who are moving onto pastures new. We wish you well and hope you will take the knowledge, skills and confidence you have gained while at TMP and go into your chosen industry feeling ready to pursue a fruitful career.

A special mention to our students who are going into higher education; Levy Burke, Robyn Carter, Daniel Catteral, Dylan Crane, Kristian Duckworth, Kaitlyn Jones(Davies), Sky Leigh, Tamara Lloyd, Alexandra Speak, Hannah Tatley, Caitlin Thompson Matthew Walsh. Good Luck and enjoy this next stage of your education.

Key dates relating to next year will be shared with parents in the coming weeks, Thank you for taking the time to read our Newsletter. A special mention to Sam Preston for helping create this newsletter.
