FOSTER CARER EVENT

Kylie and Lil from Music, performed at a Wigan Council event; to celebrate the important contribution, that Foster Carers make within the borough. We would like to thank Wigan Council and hope to work with our local authority in the future, creating more opportunities for our creative young people.

Kylie and Lil demonstrated their harmonies with a variety of songs that they had selected, and once again, impressed their audience. Feedback from the audience included the following comments...

"They were professional, well organised and polite!"

"A real pleasure to work with them"

"They are extremely talented performers, and they made our event extra special"

"They were a delight, and we look forward to working with them in the future"

We are proud to offer work-related opportunities like this to our learners, and welcome employers and organisations, to work with us.

Art & Design

ART CONVENTION - THE EDGE

Art and Design students participated in an art convention at The Edge, where they showcased and sold their work, to complete their FMP.

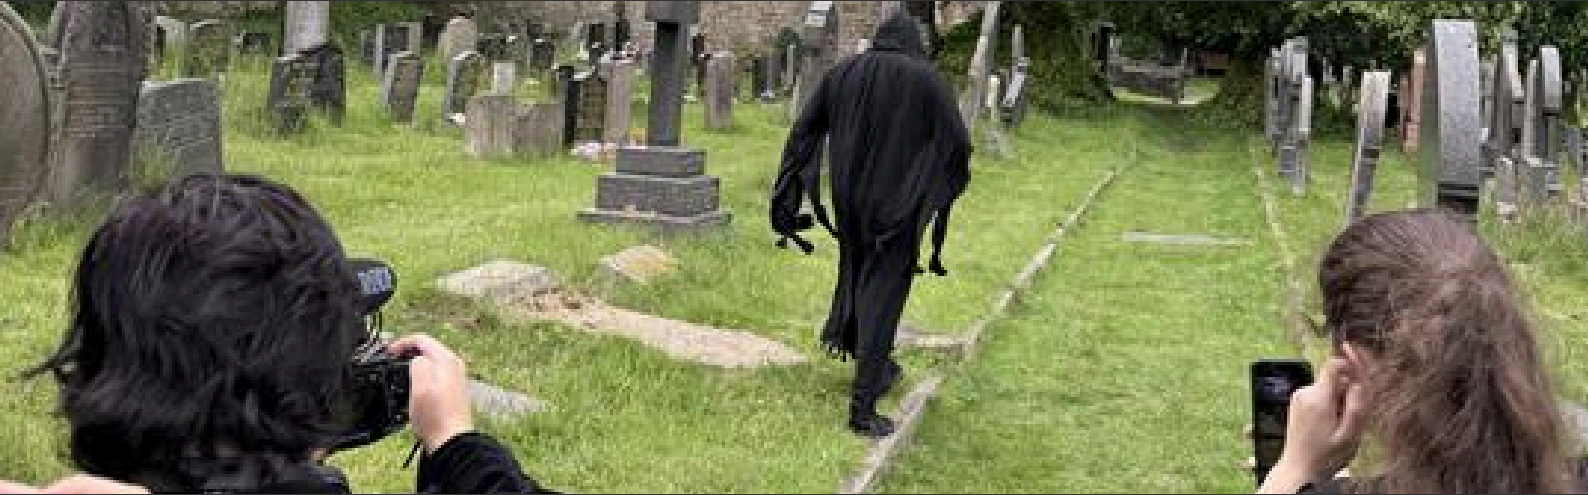

Students created hand crafted trinkets, painted canvases and custom clothing.

Overall, a huge congratulations to the art and design staff and students for their remarkable success!

MEDIA

WORK EXPERIENCE

Working within the industry

This term, our Film and Media students have had the exciting opportunity to work with a range of external partners, putting their skills into practice on real-world projects.

They directed and filmed a music video for local band Some Other Preachers, produced a heart-warming tribute film for volunteers at Pensioner Links, and collaborated with Tallula Vintage on a fashion shoot and promotional video series.

These hands-on experiences have deepened their industry insight, built confidence, and enriched their creative portfolios.

MUSIC

THE ORCHESTRA SHOW

Malakai Delivers Groundbreaking Orchestral Performance for Final Project.

One of our Year 2 music students, Malakai, delivered an ambitious and truly outstanding Final Major Project, culminating in a powerful live orchestral performance that impressed both staff and students. Malakai composed an original piece for orchestra and choir, then took full control of rehearsing, conducting, and managing the live event.

The performance brought together over 18 performers from across the college, including staff and students, and featured complex, emotionally charged music that stretched even seasoned musicians. Despite major challenges with scheduling and technical equipment, Malakai handled every aspect with professionalism and determination, producing a performance that received glowing praise from the audience.

In addition to conducting the live event, Malakai filmed and edited a multi-camera video of the show and mixed a professional-quality audio recording. They also created promotional materials and a marketing video to support the event. This project showcased not only Malakai's musical talent, but also their exceptional skills in leadership, project management, and creative problem-solving. It was a highlight of this year's FMP presentations and a shining example of what can be achieved with vision, dedication, and hard work.

PERFORMING ARTS & DANCE

THE CIRCUS

On 11th June, the Dance Department dazzled audiences with a vibrant circus-themed showcase, featuring a spectacular blend of singing, dancing, majorettes, juggling, and more.

This joyful end-of-year production brought the college community together to celebrate the close of another fantastic academic year.

SPORT NEWS

TMP FOOTBALL SPECIAL

THURSDAY 8TH MAY MATCH REPORT

Our TMP Football team competed in multiple matches against other disability football teams from the local area. The team secured an impressive 2nd place, with all students delivering outstanding performances!

Special shout out to all the players: Andrew, Regan, Leon, Josh, Jake, Lewis and Michael for their achievement of getting into the final! Also a special shoutout to the staff who supported!

ACHIEVEMENTS IN LEARNING

STUDENT MILESTONES

A huge well done to all TMP learners who completed the 10-week dot-be (.b) mindfulness course by MiSP! Backed by clinical research, mindfulness helps young people feel calmer, more focused, and better equipped to manage life's challenges. The course offers practical tools students can use now or in the future. We're excited to explore ways for parents and carers to get involved next academic year! Message Felix for more details.

The Brick recently held a celebration event to recognise the dedication and contributions of their volunteers over the past year. As part of the festivities, one of our talented Level Three Extended Bands generously volunteered their time to provide live entertainment, creating a vibrant and memorable atmosphere for all involved.

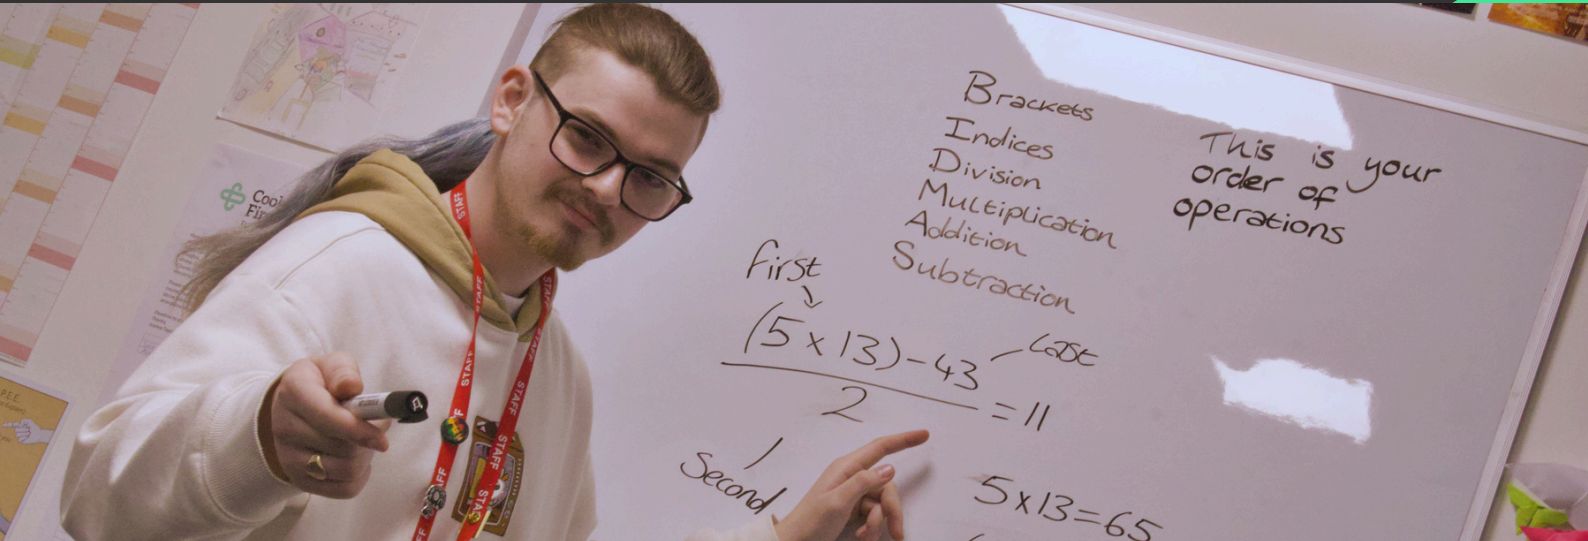

FROM TMP COLLEGE

SHOUTOUT

From All the Staff at TMP

Congratulations to everyone for completing their FMP this term. Enjoy the summer and good luck to those moving on to other ventures and to the returners, we look forward to seeing you in September.

From the Maths and English Department

Well done to everyone who completed their English and Maths GCSEs Exams over the last few weeks!

The team have worked incredibly hard and each one of them are very proud!
