

Mission, Vision and Values: 2020/21

Our Mission:

'to deliver high quality education in the field of Creative Arts and Digital Media which is inclusive and matches the diverse needs of our learners'.

TMP College will provide high quality education covering music performance, music technology, media make up and SFX, digital media, IT, games design as well as functional skills and GCSE tuition in English and Mathematics. The College also provides professional private instrumental and vocal tuition.

Our Vision:

'To provide a high quality learning experience and improve life chances for young people whilst broadening horizons for all.'

Our Values:

Passion: The passion and interest in creative arts and digital media and how they can be used to motivate people to develop and improve their life chances. The passion goes beyond a deep interest in the subjects to a determination to make this young business a success for all its staff and students and for the local community.

Learner Focus: At TMP College the focus will always be on the needs of learners and customers. TMP College has built the business around learners and customers by understanding the needs of the target audience excellence, striving to provide quality in the student experience educationally and socially.

Innovation: Innovation will be the key driver in all areas of TMP College's business, developing a creativity and desire to generate new ideas, evaluating their cost-effectiveness, assessing the risk and carrying out market research around the implementation to secure success.

Inclusivity: We will strive to reach the broadest audience possible by encouraging learners of all ages and abilities, and from a variety of backgrounds and ethnicities to access our learning programmes and professional tuition services.
