Initial Booking Consultation 45 - 60 minutes

At this visit we can complete the necessary paperwork, answer questions, transfer keys, and tour your home while discussing detailed instructions on how to care for your pets. This required meeting will be scheduled at least **48 hours** prior to service.

Dog Walking 20-30 mins

This service includes one dog walk session consisting of 30 minutes. If weather does not permit, I will provide exercise indoors.

These may be scheduled 2-3 times a day. During these visits, I provide basic care and socialization. These tasks may include, but are not limited to - feeding, replenishing water, medicating, basic grooming (brushing), litter box change, exercise, treats, and lots of love. Cats typically require one visit.

Extended Visit up to 8 hours

This service provides in-home care during the **daytime only**. Care may include all tasks similar to stop-in visits, one dog walk, senior pet mobility exercises, multiple medication times, oral care, bringing in the mail, setting out trash, watering the plants, etc.

Overnight Visit 12+ hours

Includes everything an extended visit will, but the pet sitter stays in the client's home overnight and continues to provide care to all pets. Morning cares will take place before the pet sitter leaves the following day.
