

LC Pet Care LLC– Veterinary Release Agreement

VR

In the event that any of my pets appear to be ill, injured, or at significant risk of experiencing a medical problem at the start of service or while in the care of Ashley Schneider, I give permission to Ashley Schneider to seek veterinary service from a veterinarian or a veterinary clinic. My preferred veterinary services are listed on each individual Pet Information Disclosure. Other veterinarians or emergency care clinics chosen by the pet sitter are acceptable.

I ask Ashley Schneider to inform the attending clinic or veterinarian of my requested total diagnosis and treatment limit of \$_____ per pet / all pets (most common values are \$200, \$1000, or unlimited). I understand that efforts will be made to contact me regarding any treatments, illness, injury, or potential problems as soon as the condition is deemed not life threatening and/or contact is possible. I understand that under Ashley Schneider's care, she will work hard to prevent accidents and injuries, and that such problems may occur no matter how well a pet is cared for. I agree to allow Ashley Schneider to use her best judgment in handling these situations, and I understand that Ashley Schneider assume no responsibility for the actions and decisions of the veterinary staff, the health, or death of my pet(s).

I will assume full responsibility for the payment and/or reimbursement for any and all veterinary services rendered, including but not limited to diagnosis, treatment, grooming, medical supplies, and boarding. Such payments will be made within 14 days of the initial incident. I also agree to be responsible for all Special Service fees assessed by Ashley Schneider for emergency transportation, care, supervision, or hiring of emergency caregivers, and will pay such fees within 14 days of each incident.

I further authorize Ashley Schneider and my primary veterinarian(s) to share all of the medical records of all of my animals with veterinary clinics in an emergency in the interest of providing the best care for my ill or injured animal(s).

Every dog, cat, and other animal at the site of service will be current (per my veterinarians recommendations) on its rabies vaccinations prior to the arrival of any caregiver. I will also make arrangements to guarantee that each animal will remain current on its rabies vaccinations throughout each service visit period.

I agree to notify Ashley Schneider of any signs of injury or possible illness before any visit as soon as the condition appears. Ashley Schneider reserves the right to cancel service at any location where a pet with a potentially infectious condition exists. Ashley Schneider strives to provide a clean, safe service to each of her clients. In doing so, Ashley Schneider strongly recommends that each pet and other animal be vaccinated, dewormed, and protected from harmful insects according to veterinarian recommended standards.

This agreement is valid from the date below and grants permission for future veterinary care without the need for additional authorization each time Ashley Schneider cares for one or more of my pets. I understand that this agreement applies to all of the pets and other animals within Ashley Schneider's care. In signing this contract, I agree that I have the sole authority to make health, medical, and financial decisions regarding the animals that will be scheduled to receive service.
