

GROOMING

TGIF

THEIR GROOMING IS FABULOUS

The Dog Stop means looking good. Every single day. So, when it's time for a grooming, our full-service treatment is just what your pet needs. You get shed-reduction, teeth brushing, nail trimming, a flea bath and more. We also clean ears and anal glands, and even moisturize paws. Plus, with boarding, daycare and retail, we're the all-inclusive stop for your pet.
