ABOUT US

SPAR Architects India is a professional architectural design firm established in 2018, specializing in innovative and sustainable design solutions. Led by young principal architects Ar Shubham Pudale and Ar Akshay Raikar, the firm is dedicated to bringing clients' ideas to reality.

Our team of experts are trained to create beautiful and functional spaces that are also energy efficient. We provide a wide range of architectural services that include commercial design, residential design, interior design and landscape design.

SKY AURA RESORT

The Aura Sky Tower reflects contemporary architectural principles, combining functionality, connectivity, and aesthetic appeal with a strong focus on sustainability. Its thoughtfully designed façade integrates energy-efficient features such as solar shading and high-performance glazing, while also serving as an effective branding surface for tenants. The interiors are planned to maximize natural light and spatial efficiency, creating a productive and welcoming environment. Spread across 13 floors, the building offers flexible commercial spaces ranging from open-plan offices to retail units, catering to diverse business needs.

Architecture

AIR ECO STAY RESORT

The project's concept was to establish an eco-friendly family resort in a remote location near Panvel, Maharashtra. Our goal was to utilize the natural contours of the site and construct a space efficiently. We were intent on providing engaging family spaces and prioritizing children's safety. The property is specifically designed to accommodate 80 people and boasts facilities including a restaurant, campsite, playroom, swimming pool, and more

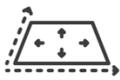

Architecture

SNOW VILLA

NASHIK

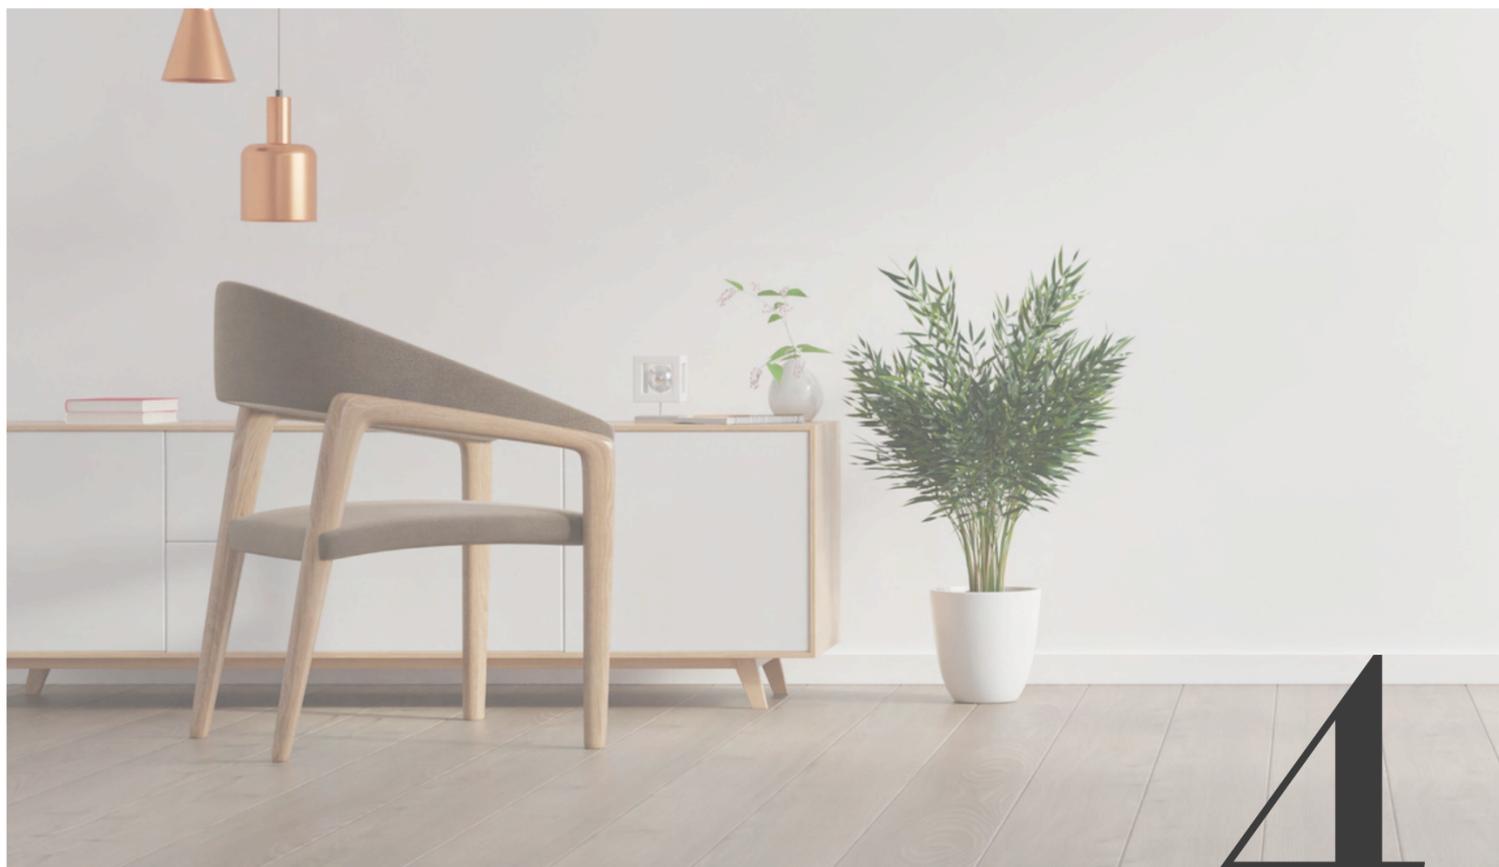

Snow villa is a unique retreat set amidst the rustic charm of a mango orchard, offering guests a blend of agricultural tranquility and modern comfort. Architecturally, the villa is designed to celebrate its natural surroundings while providing a luxurious and immersive experience.

Inside, the villa embodies a spacious and airy layout that emphasizes relaxation and rejuvenation. Open-plan living areas seamlessly integrate with outdoor spaces, encouraging a flow between indoor comfort and outdoor serenity.

INTERIOR DESIGN

01

2 BHK

Seawood, Navi Mumbai

A modern 2BHK with a calm beige–brown palette, seamless spaces, and elegant, functional design.

02

3BHK

Kharghar, Navi Mumbai

A modern 3BHK interior designed with an elegant, practical, and premium aesthetic.

03

Penthouse

Panvel

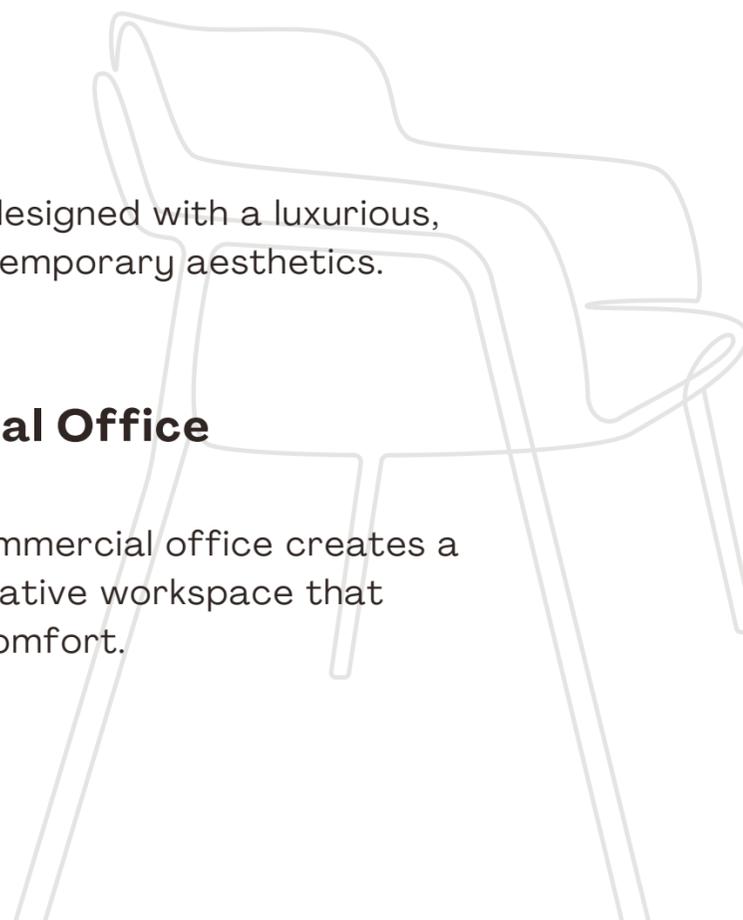

A modern duplex penthouse designed with a luxurious, elegant feel and refined contemporary aesthetics.

04

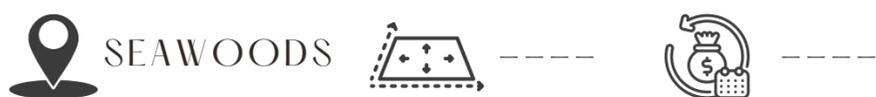

Grandmark Commercial Office

Panvel

The interior design of this commercial office creates a modern, flexible, and collaborative workspace that promotes productivity and comfort.

2BHK RESIDENTIAL INTERIOR

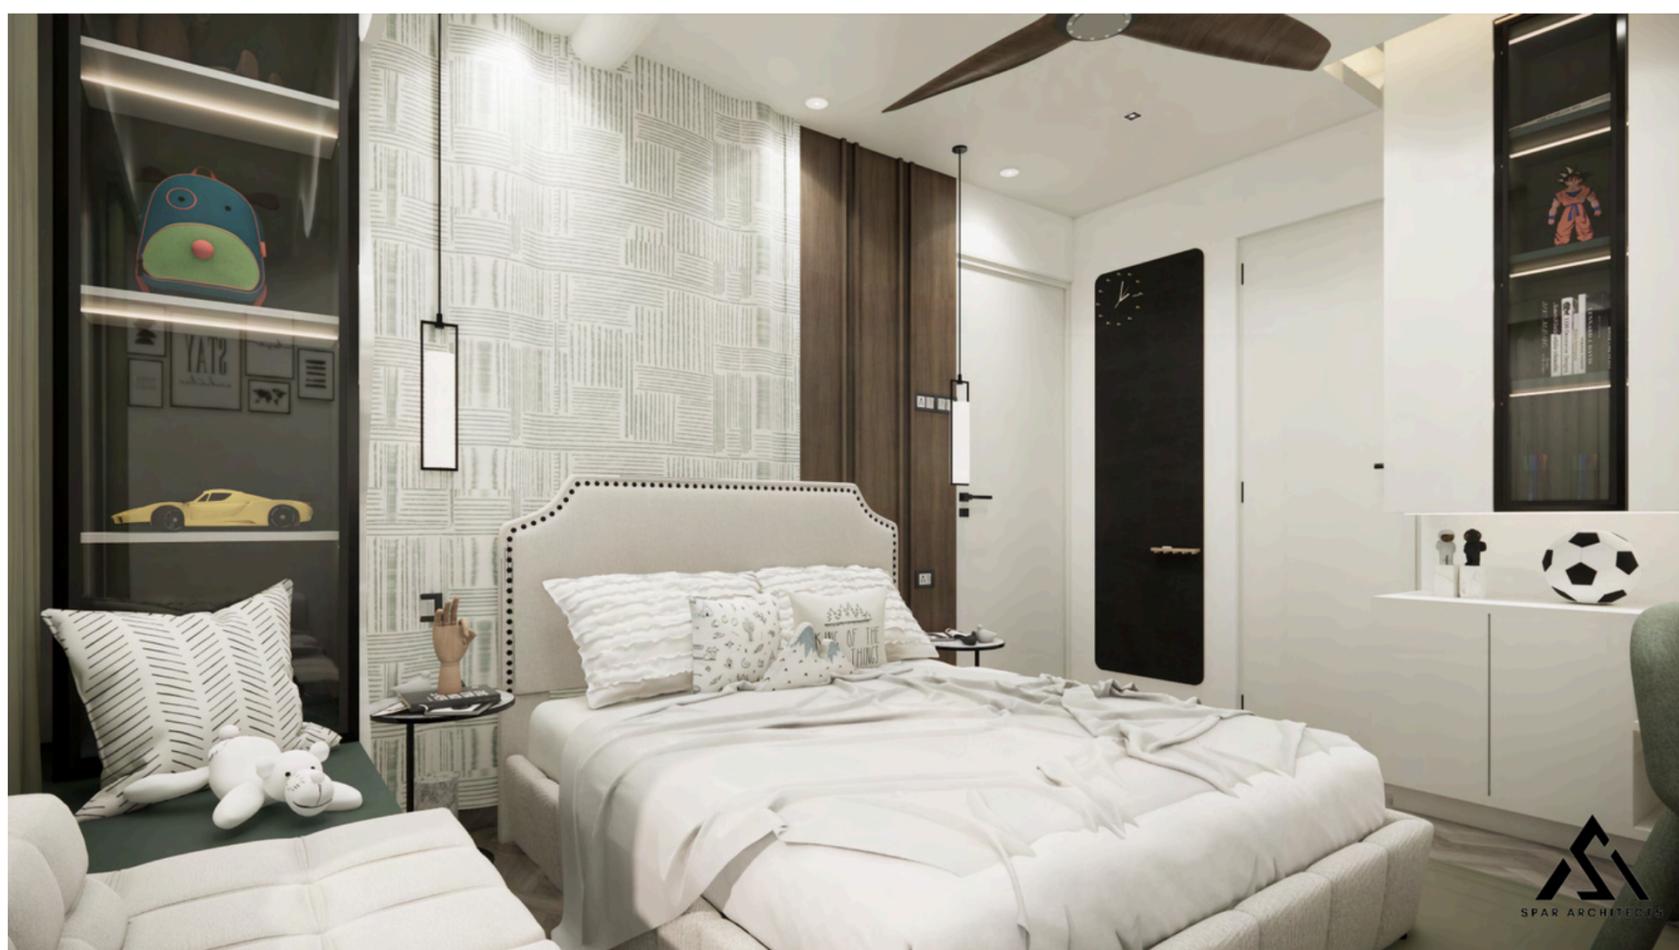

This modern 2BHK interior is designed in a calm beige and brown neutral theme, creating a warm and balanced living space. The living, dining, and open kitchen flow seamlessly with clean lines, minimal detailing, and functional planning, while the master bedroom offers a serene retreat and the kids' bedroom blends comfort with subtle playful elements—resulting in a cohesive, elegant, and timeless home

Interior Design

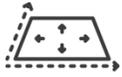

A modern bedroom design that blends elegance with practical usage, where clean lines, soothing tones, and subtle textures create a calm and stylish atmosphere. The master bedroom is designed as a serene retreat with functional furniture and smart storage, while the kids' room balances comfort and playfulness with efficient space planning—ensuring beauty, usability, and everyday convenience in both spaces.

3BHK RESIDENTIAL INTERIOR

KHARGHAR

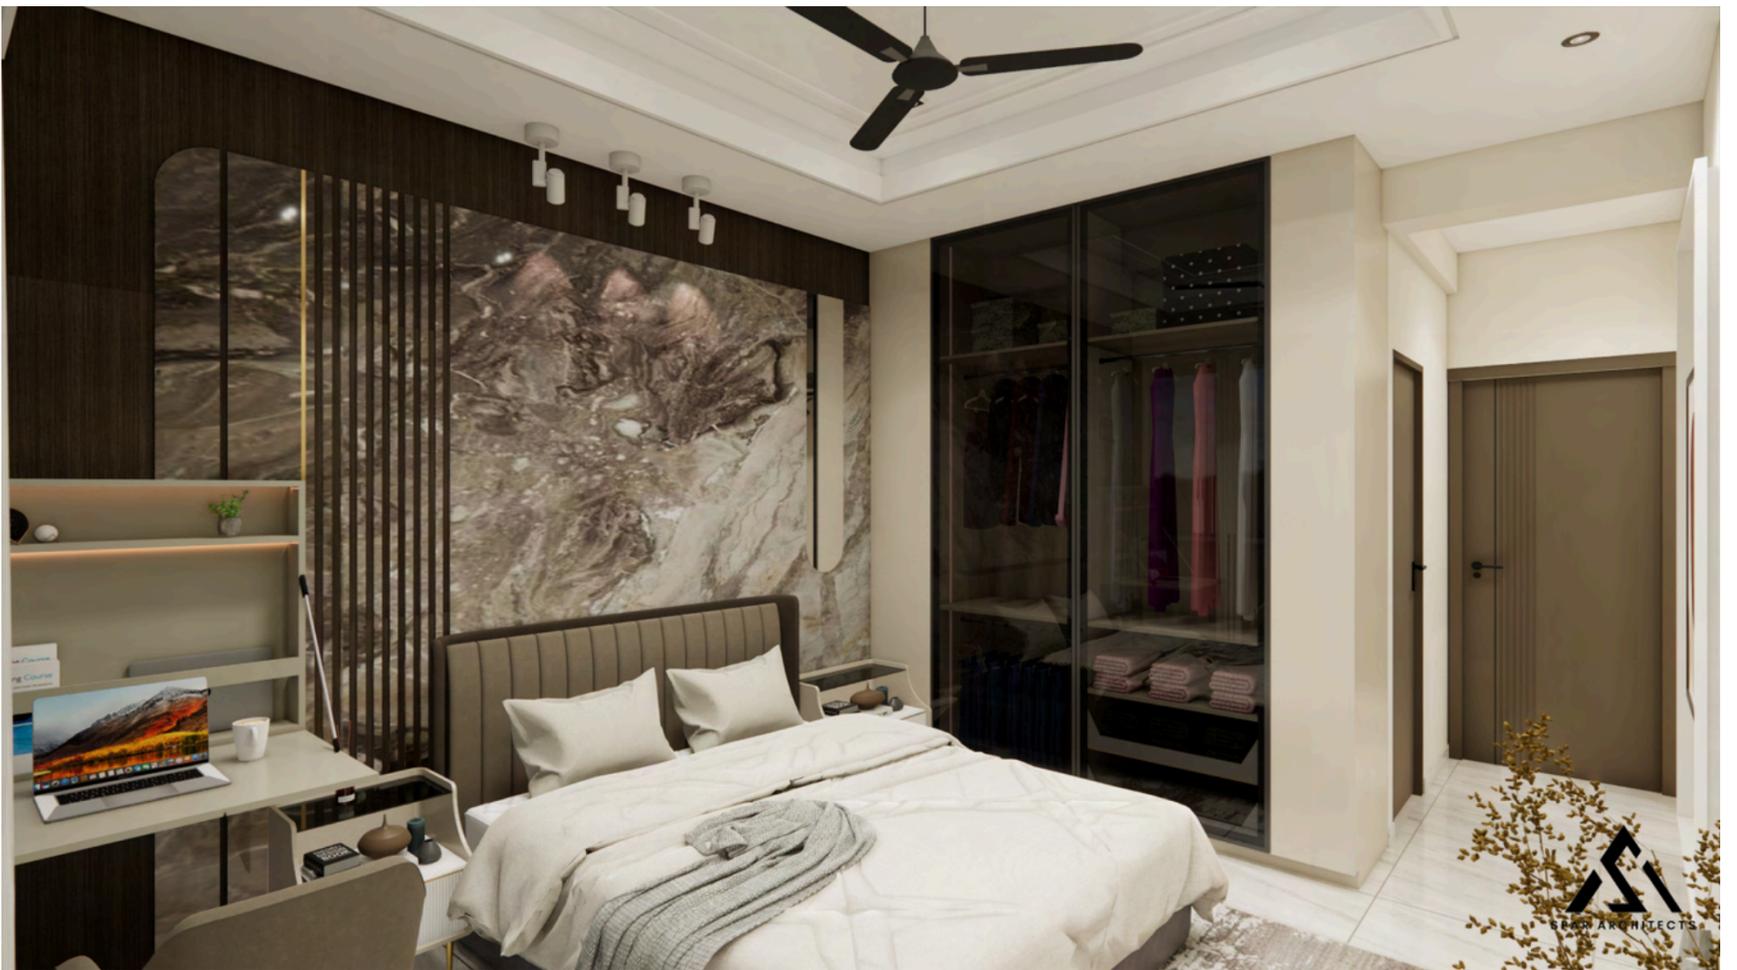

This modern 3BHK interior is designed with an elegant, practical, and premium approach, creating a refined yet comfortable living environment. The home includes two daughters' bedrooms and a master bedroom, each styled with modern themes, enhanced through the use of wallpapers and decorative wall paneling that add depth, texture, and visual interest while maintaining a cohesive design language.

Interior Design

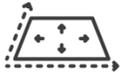

A specially segregated pooja (mandir) area is thoughtfully placed near the entrance within the living room, created using elegant partition walls. This design ensures privacy and spiritual focus without disturbing

PENTHOUSE

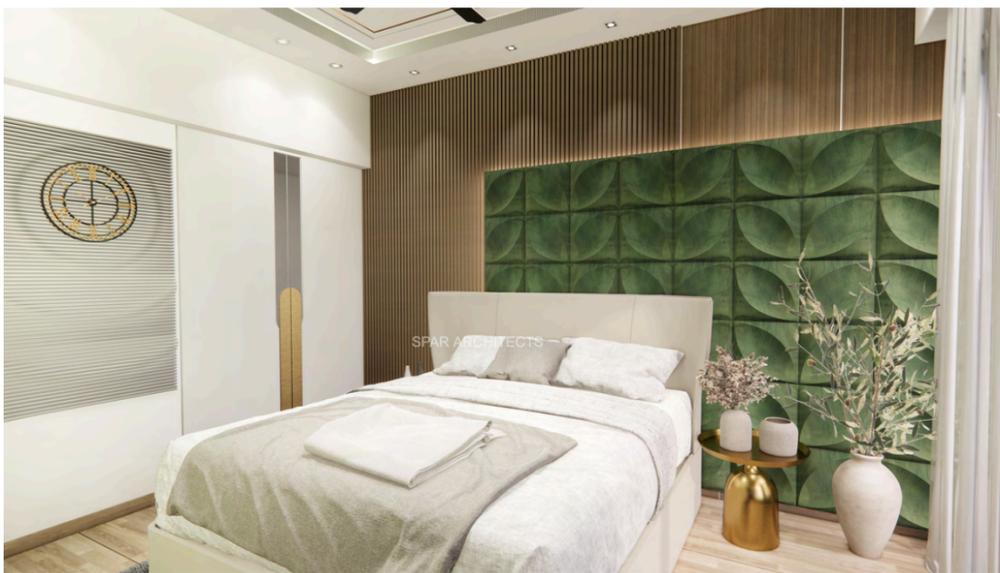

PANVEL

This modern penthouse interior is designed with a refined palette of white, gold, grey, and warm brown tones, creating a luxurious yet balanced aesthetic throughout the home. The living room features elegant white and gold finishes, seamlessly flowing into the dining area highlighted with soft grey accents. Thoughtfully planned spaces include a master bedroom, additional bedroom, guest room, and a stylish balcony bar unit, all designed to blend sophistication with comfort and practical usage for contemporary living.

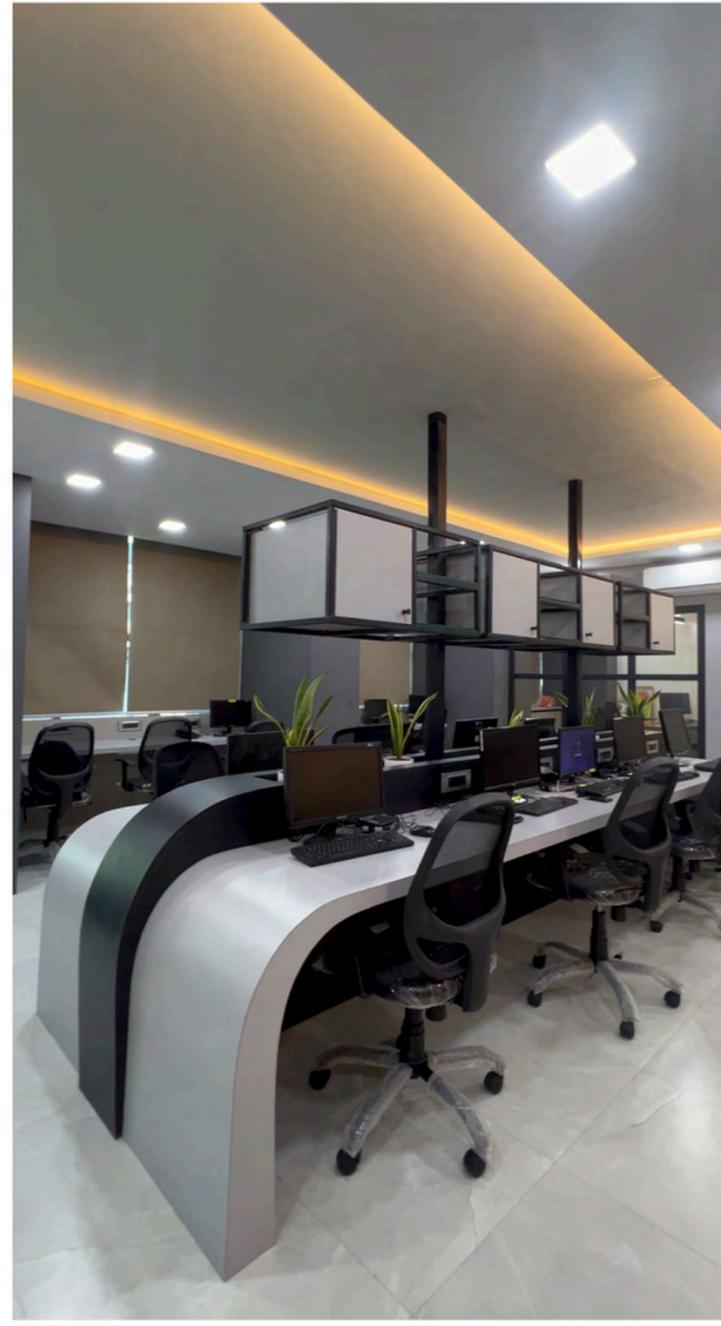

Interior Design

The penthouse features three bedrooms designed with a modern, elegant, and luxurious aesthetic, including a statement bedroom with an open bathtub concept, while the remaining rooms showcase refined, upscale themes for a cohesive and indulgent living experience.

GRANDMARK COMMERCIAL OFFICE

The interior design of our commercial office space focuses on creating a dynamic environment that fosters productivity and collaboration while ensuring comfort and functionality. The layout features an open-plan area designed for common workstations, promoting flexibility and interaction among team members.

Modular furniture and adaptable configurations allow for seamless adjustments according to project needs and team dynamics.
