Dress Code

2026-2027 Season

Having your dancer in the appropriate dress and hair helps us see body alignment, brings

the class together as a group, and helps dancers get focussed for class!

Proper Dance Attire

It is very important for students to properly dress for dance class. The instructors need to be able to see the dancer's bodies in order to correct their technique and help them improve. We hope these guidelines help to determine what dancers should wear to class. Marley's Dance Effex will be enforcing the 'proper dance attire' dress code for all students. Please note that your dancer may not be able to participate in class if they do not have proper dance clothes or shoes.

Appropriate Clothing Items:

✓ - Bodysuits ✓ - Spandex Shorts ✓ - Tank Tops ✓ - Leggings ✓ - Dance skirts
(any form-fitting yoga wear is acceptable)

Inappropriate Clothing Items:

✗ - Jeggings ✗ - Sweatpants ✗ - T-Shirts/Long sleeves ✗ - Sweaters/Hoodies (any loose/baggy items that prevent the instructor from seeing the dancers body positioning are not permitted)

Late fee: A \$25 per week fee will be applied to all late payments. All NSF cheques will be charged \$25.00.

Refunds: Refunds are not given for lessons missed for any reason of your own accord, ie: illness, holiday, etc.

If your dancer withdraws after November 30th, 2026 you will NOT be reimbursed and will be responsible for the remainder of the seasons fees. FEES ARE BASED ON A YEARLY AMOUNT, NOT MONTHLY. FEES ARE BROKEN DOWN INTO MONTHLY PAYMENTS FOR YOUR CONVENIENCE.

Monthly fees are due for the first of every month.

Classes

Each class will be held once a week. Our lobby is currently closed and will only be available to our tiny tot parents at this time.

The teachers and the teachers only will decide student designation into various classes.

Dancers will be placed in the class that best suits their abilities, in order for each child to receive the best dance education he or she can.

Dance Attire:

Dancers are expected to dress appropriately for each class. This means no street wear – no baggy T-shirts, sweatpants or jeans (this includes hip hop classes). Please wear lycra

pants/ shorts and tank tops or body suits with appropriate shoes. Visit our website to see the Proper Dance Attire document.

Please have hair pulled off the face in a ponytail or bun. No chewing gum as it is a choking hazard.

Attendance:

Attendance is mandatory. You must notify the instructors of any necessary absences. If your child has had more than three invalid absences before Christmas, the teachers will determine if they can continue dancing in that particular dance. The same procedure happens from January until the end of dance season. This policy is to ensure students don't hinder the success of the group at competition. It is important to remember that your child's group is a team and team members are expected to make a necessary commitment. If your child needs to miss a few classes, but remains on top of the material taught, there will be no issues.

If your dancer has an injury or illness that prevents them from dancing they are expected to still come to class to watch the lesson. This ensures dancers are ready to participate when they return, as they are familiar with what was taught. If your dancer is too sick to attend class, they

should stay home. If it is an injury that doesn't put them or the other dancers at risk, they should attend class. Please don't hesitate to contact the office with any concerns regarding attendance.

Shoes:

Students must have the proper shoes to attend class. If your dancer does not have tap shoes by the end of September they will not be permitted to continue in tap class. If your dancer does not have soft shoes (jazz or ballet) by the end of October they will not be permitted to continue taking those classes. It is imperative for all members of the group to have the correct shoes in order to learn the proper technique. Please visit our Parent Network on Facebook to purchase used costumes and shoes.

Shoe requirements can be found on the Documents page of our website.

Communication:

To reduce classroom interruption, please channel questions and comments through our email account: mdeffex@hotmail.com

You may also TEXT the office at (306) 861-4855. Please note that the office is closed in the evenings as the staff are all teaching. Text messages will be returned as soon as possible, and will be returned based on urgency.

Teachers are instructed to direct parents to the office for most questions. Please understand that we want our instructors focussing on teaching the students. We are happy to answer any parent questions via office phone or email.

If a class is cancelled due to weather, an email message will be sent out to notify you. Email addresses are a requirement in order for each family to receive all of the information required.

We will be using BAND once again this season, All parents will be required to download the BAND app for quick and easy access to all files and information.

Withdrawal:

If your child wishes to withdraw from classes, the office must be notified in writing. Please send an email to the office. The bookkeeper will determine refund amounts issued. If your child withdraws after December 1st, you will **NOT** be reimbursed and will be held responsible for the remainder of the seasons fees. Competition fees and costumes will not be refunded. **YOU ARE RESPONSIBLE FOR ALL FEES INCURRED UNTIL NOTIFICATION IS GIVEN TO THE INSTRUCTORS.**

Heath issues:

If your child has a medical condition that might affect them during dance class, please make the teachers aware of what needs to be done for your child and please ensure emergency information is up to date. Marley's Dance Effex reserves the right to call 911 at the parent's expense.

Costumes

Every child is expected to participate in the local recital as well as competitions, and therefore will require a costume at an approximate cost of \$30.00- \$80.00 including taxes (per class). Costume orders will be placed by the end of October to ensure early delivery from the USA. All costumes will be sized and ordered by the teachers. We order the size that best suits your child according to their measurements. Costume orders must be placed early for delivery before competitions in March. All alterations of costumes are the responsibility of the dancer. Recital costumes cannot be refunded once they have been ordered. Costume fees will be paid to SEW'N ICE.

Solos and duets are responsible for their own costumes; however there are lots of costumes available through other parents and dancers. Please visit our Parent Network on Facebook to purchase used costumes and shoes.

Competition

Attendance:

The number of competitions your child attends will depend on age and location. Dancers will attend between 1-4 competitions.

All students are expected to attend competitions unless otherwise discussed, as Marley's Dance Effex is a competitive studio. When you enrol your child in lessons we expect you to commit to the competitions your child's group is attending. Competition dates are sent out in the Fall and posted on the website for your reference. If you have a conflict (ie. family vacation, school trip, wedding etc.) we expect you to notify the teachers ASAP. If your child will be absent from a competition, **the office must be notified before December 1st**. This is to avoid paying unnecessary competition fees for your child. More importantly, this allows teachers to plan choreography in a way that doesn't affect the routine when your child is absent.

IF YOU ARE CHOOSING TO NOT PARTICIPATE IN COMPETITIONS - PLEASE NOTIFY STAFF AT THE TIME OF REGISTRATION. :)

Cost: Competition entry fees are \$30.00- \$40.00/class/competition. These will be collected in November and in January. Solo and Duet fees are extra and vary at each competition.

We will also require parent volunteers to help us run our home competition smoothly.

Preparation:

We recommend that you do your child's hair and make-up before coming to the competition venue. Dressing rooms can be very hot and crowded, which makes it difficult to prepare younger students. Please do not wear costumes anywhere other than in the competition dressing room and on the stage.

Hair:

Competition hair will be determined at the time of the costume order. Regardless of style, dancers' hair should be hair sprayed or gelled and look professional. Most students in Junior or under will wear the curly ponytails provided on stage. Hair must be slicked back and put into a proper bun before the hairpiece can be worn.

Underwear:

Absolutely no underwear is to be worn on the stage. This includes thong underwear. Teachers may check student's waistband before going backstage to ensure this rule is followed. Underwear can be seen under the stage lights and disrupts the clean lines we are striving for with the costumes and tights.

Make up:

It is important for stage make-up to be dark so dancers don't look washed out under the stage lights. Teachers will ask you to apply more make-up if they feel it is necessary.

Eyes: All dancers are to wear dark brown eye shadow on the lid of the eye. White eye shadow is to be worn from the crease of the lid to the eyebrow. No coloured eye shadow will be accepted. Beginner through Junior dancers should wear black eye liner with a two tailed "cat eye" and black mascara. Inter and Senior dancers should wear black mascara and eyeliner but will omit the "cat- eye".

Cheeks and Lips: Dancers should wear noticeable blush and bright red lipstick. Please no pink or peach lipstick.

It is very important for dancers to be uniform on the stage. We hope these guidelines have helped you. When the dancers look professional on the stage, you can see why we have these policies.

Recital:

Recital will be held at the end of April or early May. Everyone, except dancers and instructors are required to pay admission. Parents will be asked to volunteer to help put on the recital show.
