COLLECTION POLICY

BILLING CYCLE:

Meters will be read monthly. Bills will be prepared and issued to customers the day after meters are read. Bills are due when rendered.

LATE FEES:

Effective July 1, 2006, all accounts with a past due balance on the final day of the billing cycle will be assessed a late charge of \$20.00

RETURNED CHECK POLICY:

Checks that are returned due to non sufficient funds (NSF) will be charged a \$35.00 service charge. The amount of the returned check and the \$35.00 service charge must be paid in cash or money order before the next billing bill is received or water service may be terminated.

DELINQUENT ACCOUNTS:

An account will be considered DELINQUENT if payments for the current month are not received on or before the last day of the billing cycle. A late fee of \$20.00 will be added to the next bill. Delinquent accounts will have their bills stamped for disconnect and will be disconnected if payment in full is not received by the date stamped on the bill. No other notices will be sent. If a customer has 3 or more late fees in a year an additional deposit may be required.

RECONNECTION POLICY:

If an account has been disconnected by the district due to nonpayment, prior to re connection the past due amount, and a \$15.00 re connection fee, and \$100.00 deposit or an additional deposit if a \$100.00 deposit is on file, must be paid in full prior to turning water service back On.

WHETSTONE WATER IMPROVEMENT DISTRICT (WWID)

The undersigned “Customer” request water service at the described service address from “District” (WWID) and agrees to be governed by and comply with all applicable laws, rules, regulations, and orders governing such services as they may be , from time to time amended.

Customer also agrees:

1. To assume responsibility for installing, maintaining, and repairing any piping or other facilities on Customers side of the meter; to make certain all water-using facilities are turned off before water service is started or terminated; to safeguard all Districts property installed in or on the premises; to ensure all Districts property (including meters) in or on the premises is unobstructed and accessible to the District; to exercise care to prevent loss or damage to District property; to pay for loss or damage to Districts property caused by Customer; to properly install, maintain, repair, and annually test any mandated backflow prevention assembly (WWID) and to provide the District certification thereof; to provide District and its duly authorized agents access at all reasonable hours to the premises for the purpose of reading or testing meters, installing, maintaining, or repairing Districts water facilities for hazard evaluation surveys, to determine the presence of unprotected cross connections and to inspect and inventory Districts property; to grant the District adequate easements and rights of way to ensure proper service to the premises; and to pay all water utility provided and water delivered up to the scheduled turnoff date.
2. District is not responsible for any damages to the premises from flooding due to condition of water facilities or appliance on the Customers side of the meter or for negligence of third persons or forces beyond the control of the District resulting in any interruption of service or damage to Customer or Customers premises. District does not guarantee uninterrupted service or service at a specific water pressure or gallon-per-minute flow rate.
3. Water furnished by WWID shall be used only on Customers premises and only for domestic purpose. Customer will not sell or furnish water to any other person or permit any other person to use the same.
4. During a critical water condition as determined by WWID or public agency, Customer shall use water only for those purposes specified by WWID.
5. Meters will be read and bills rendered monthly. **BILLS ARE DUE WHEN RENDERED**, shall be delinquent after 30 days, except the month of FEBRUARY, and if not paid in 37 days, service will be disconnected by WWID. Failure to receive bills or notices shall not prevent such bills from becoming delinquent, nor relieve the Customer of his obligations.
6. An account will be considered **DELINQUENT** if payment for the current month is not received on or before the last day of the billing cycle. A late fee of \$20.00 will be added to the next bill. Delinquent accounts will have their Bills stamped for Disconnect and will be disconnected if payment in full is not received by the date stamped on the bill. No other notices will be sent. If a customer has 3 or more late fees in a year an additional Deposit may be required.

7. If an account has been disconnected by the District due to nonpayment, prior to reconnection the past due amount, \$15.00 reconnection fee, and \$100.00 deposit or additional deposit if \$100.00 deposit is on file, must be paid in full prior to water service being turned back on.
8. Water bills will be computed in accordance with WWID rate schedule and will be based on the water consumed for the period covered by the meter readings.
9. WWID will make special meter readings at the request of the Customer for a fee of \$30.00 provided however that if such special meter reading discloses that the meter was over-read, no charge will be made.
10. Customer upon application for a new service or replacement will pay \$15.00 inspection fee to ensure underground water service is at least 10 feet away from septic tank or leach field, inspection to be made 48 hours of WWID receiving card, excluding weekends and holidays.
11. Not less than 3 days notice must be given in writing by the Customer at WWID office to disconnect or change occupancy. The outgoing party will be responsible for all utility services provided and water delivered up to scheduled turnoff date.
12. Customer will be charged \$35.00 for any returned checks.
13. Customer will be charged \$40.00 per hour for any after hour service calls if customer is at fault.
14. WWID may refuse service or disconnect service in the manner approved by WWID, if the Customer fails to comply with application.
15. Every property with a tax ID number will have its own water service.
16. All terms and conditions of this application, including the amounts herein, are subject to change upon approval of WWID.
17. In the event that a main line has to be extended in order to provide service to a new customer, said customer may be required to pay up to 40% of the cost of such line extension.

non-recurring charge policy

1. Whetstone Water Improvement District (WWID) will make special meter readings at the request of the customer for a fee of \$15.00 provided, however, that if such special meter reading discloses that the meter was over-read, no charge will be made.
2. In the event that there is a bill dispute pertaining to a meter reading the customer has the option of having the meter tested. If the meter is found not to be within the legal register range the bill will be forgiven and nothing further will be owed. However if the meter is within the legal register range the bill will be owed and the customer will also be billed for all costs pertaining to shipping and testing.
3. In the event that WWID staff are called out on weekends or non- business hours to perform any service due to negligence by a customer, the customer will be billed at a rate of \$35.00 per hour.
4. Customer upon application for a new service or replacement will pay \$15.00 inspection fee to ensure underground water service is at least 10 feet away from septic or leach field, inspection to be made within 48 hours of WWID receiving payment excluding weekends and holidays.
5. Customers will be charged a \$15.00 turn on fee upon submitting an application for service.
6. Customer will be charged a \$35.00 fee for any returned checks, and amount of check will be considered as a delinquent until paid in full.
