

DARE TO CARE 
Let's Walk Together!
OTTO ARMLEDER MEMORIAL PARK
JUNE 22, 2024

Hello,

On June 22, 2024 at Otto Armleder Memorial Park, the Southwest MG OHIO Support Group is hosting a walk and I am walking on behalf of (person you know with MG or yourself). Myasthenia Gravis (MG) is a rare, incurable, autoimmune neuromuscular disease. The purpose of this walk is to raise critical funds for MG Ohio in order provide MG education, support, and resources for those affected by MG. This is also a way to bring more awareness and to advocate in our community. We hope you can donate to our cause or join my team and walk with us at this event on June 22, 2024 at 11:00 am.

If you are interested in joining the walk or for more information you can visit www.mgohio.org.

Please let me know if you are interested in sponsoring or donating to this event or have any questions.

Thank you,

[Signature and phone number]
