Ask the Expert

Q. I'm on immunosuppressants. How do I keep myself safe while traveling during the Holidays?

A. It is important to protect yourself from the triple threat of viruses making the rounds this season: Covid, influenza, and RSV. Here are some helpful hints for traveling and Holiday get-togethers:

- Wear a good mask in crowds—it's one of your best defenses against air-borne illnesses
- Don't be afraid to ask if the others attending are taking precautions too
- Try meeting in well-ventilated areas—or those with HEPA filtering systems
- Tell everyone that you cannot attend if someone else is attending sick. Don't expose yourself to unknown germs
- When traveling, consider going by car instead of using public transportation (planes, trains, etc.)
- Use caution when using public facilities always wash hands thoroughly with soap

Q. What should I keep in the car when traveling?

A. You should keep the following things in your car in case of emergency:

- A list of current medications you're taking & any allergies you have
- A list of medications contraindicated for those with MG
- Contact information for your attending doctor and your emergency contact
- Extra Mestinon (pyridostigmine bromide) in water tight container.

MG OHIO SOUTHWEST November Recap & December Highlights

November Meeting Recap:

In November, we focused on ways we can show gratitude towards others, the importance of gratitude to your own health and then we did an activity to remind us of all the things we are grateful for despite having MG! You can visit our meeting presentation and photos from our activity on the MG Ohio website, Southwest Group page. The biggest takeaway? How do you look at life, is your cup half full or half empty?

November Spotlight Member: Rod Garrett

Our MG Ohio Southwest September Patient Spotlight is Rod Garrett!

Rod has been living with MG for 16 years and was diagnosed at the age of 50. He grew up in a small rural farming town -- Blanchester, Ohio -- with 14 known cases of MG. Two more, Sharon Meyer and Erica Amann, also grew up in the same area and Rod did not count them in his story!

Visit the MG Ohio website, Southwest Group page to read about Rod's MG journey. Thank you, Rod, for sharing your story with us! Rod hopes his story can encourage others living with MG!

November Outing Recap:

We met Wednesday, November 12th after a last-minute theater change when our original show sold out. Thankfully, we found an even better theater- with HEATED recliners and full service! Just push a button for drink and popcorn refills ... amazing. We watched "Lost & Found in Cleveland" and everyone loved it. It even had us wondering what hidden valuables might be sitting in our own homes! You will have to watch it for yourselves to see what we mean.
