**Subject: Mountainview Resort Going to Auction – June 23, 2025**

Dear Mountainview Resort Owners,

We are excited to share a significant development in the future of Mountainview Resort. After extensive planning and preparation, we are pleased to announce that the property will be going to **auction on June 23, 2025**.

As part of this process, **property marketing will officially begin on May 16, 2025**, allowing prospective buyers to learn more about the unique opportunities the resort offers. Our Realtor, Garrett Quinn will be showing the property to interested buyers. Garrett is with Whittemore's Real Estate, and you will see his "for sale" sign at the property. Enclosed is the offering memo that is being shared with the market.

To view the listing and details of the property, we invite you to visit the live listing on **Crexi** using this link: <https://www.crexi.com/properties/1917045/maine-mountainview-resort>

This marks an exciting new chapter for the resort and we are thrilled to bring this opportunity to the attention of the ownership community. We will continue to keep you updated as the auction date approaches and encourage you to reach out with any questions.

Thank you for your continued support and involvement.

Warm regards,

Kevin Curran
