# Run #2664, Towjob and Guest, Flightpath Rd, Berrimah.

The road that outgoogled Google, it's not a road, it doesn't exist, I heard. Oh yes it does, Flightpath fucking Rd, Berrimah. I digress, but.

Our GM is back from Wait Awhile, WA, got the pack away with the hare's help at six, pink tape and white chalk, and, yes, an A to B run. Wow now, an A to B.

Been a while since the last one.

Promise of a piss stop and we're off. Two trails he said, a runners and the others.

My spies saw five runners on trail and a few more walkers. The hare's plan, most devious, led the runners on a useless loop back to the walkers trail. Love ya work Towjob. On on to Secrett Rd, left into meandering bush trail and the piss stop, 2.5 kms from home. On to the bus, a driver most capable, and a smooth cruise home.

The keg was a a bit bitter hey Bitta, so packaged it was, and it worked.

## The Circle:

GM and HIV officiate.

## Visitors:

Cod Peace from Adelaide Harriets, one of tonight's runners, welcomed by the GM.

## Returners:

Bitta, back from Ladyboy hash, based in Bali sources close to the scribe alluded. Gash was up for ..... Something, ( the batteries in my pen went flat and this bit went missing). Ice was mentioned.

Guest reckoned the circle was interesting "enough".

## Chook fucka:

The GM and Tasty's Toy Boy, (TTB) engaged in some verbals and reckoned the yellow peril needed time to adjust before a separation from TTB to another home.

BORING load of Guna.

Thanks to HIV for giving him the meanest note.

## And the hares:

and T h e f u c k I n g h a r e s

Towjob and Guest, the non performing Barbwire was not involved tonight.

A to B trail, brilliant, and the later tucka, prepared by an absent Cum Again hit the spot. Good job you mob.

## Cuming events:

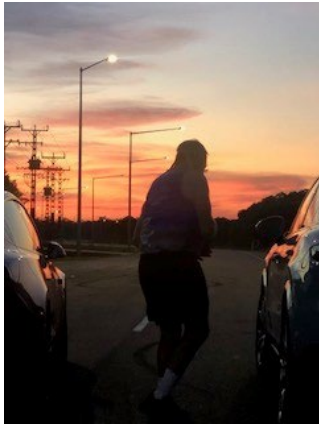

11/12/23, Crickets Shed, 34 Bishop St, Woolner. Surprising tucka event?

18/12/23, Tasty's Toy Boy, tba

25/12/23, tba

1/1/24, CH3' Killer, Carrington St, Millner.
