Run 2761

The Hare – Physio - Plate Run
Sunset Park Nightcliff

Run = Hare Physio called up by new GM Gropa at 1804. Run on pink tape and purple chalk. On on along the beach towards Nightcliff Shops through shitloads of concrete lumps. Then up onto the footpath and left onto Hickory, left through the park onto Kurrajong then Palm then Banksia and home. Nice short 2.5km run. Most of the pack home by 1837 but HIV made a detour to Nightcliff Sporties and home at 1850.

Some of the Pack

The Circle

GM, Gropa, aided by Choirmaster HIV commenced the Circle at 1916hrs after the tucker.

Run Report

Pickles gave the run a 7/10.

Virgins, Visitors & Returners –

There were no Virgins or Visitors, however, the Hardy Mob are back from a European trip that involved a week's cruise on the Rhine river, a visit to Oktoberfest (Woo Hoo) and a visit to Switzerland and northern Italy. Gash was also a returner from a trip to KL and Malaysia.

What happens on tour usually stays on tour, however a little bird told your Scibe that Guest left her purse in a toilet in Amsterdam but her lunatic driver drove Guest through the narrow crowded streets and alleys of that city until the aforesaid purse was located. The only thing missing was money.

Fines

Towjob tried to fine the Hare for running the pack through lots of shitty concrete slabs on the beach. Failed, obstacles are part of Hash.

More of the Pack

The Chook (& shirt)

Oops, wanted to give the Chook to everyone who only noticed her damaged arm last week and nobody noticed her damaged bum. However, she settled for giving the chook to HIV for not being on trail. (How unusual).

BTW, Oops filled in as Hash Cash tonight. Tks Oops.

Jokes

There were jokes everywhere. Oops did a baby stork joke, Rocketman did a Trump joke, Physio did a What are you growing joke and Cricket did a Tennessee joke.

Announcements

GM Gropa is seeking suggestions for this years Christmas Party.

Also, we seem to have a lot of kegs to consume. Backpage's run in 2 weeks would be a good start. A run from someone's place or an unofficial combined run with Rural or Top End. These kegs aren't costing us anything but we really need to support our sponsor, CUB and get some good publicity for them by supporting a charity that is not anti alcohol. Animal, who has been the main driver for our kegs should have a big say,

along with OBE who has long supported the keg scene. We should not forget the Hardys and Towjob who store the kegs and Cricket as well. And HIV.

Boots and Pickles

Next Week's Run –

Gash – Beach Carpark at the end of Chapman Rd.

It's another Tequila Sunset.

Barbwire, Enola and the Tucker.
