Run 2772

The Hare – Tow Job

End of Chapman St Park Nighcliff

Run / Walk 3.6km with shiggy & rewarded by a rum and coke piss stop rated 11/10!

A/GM **Gropa** gathers the 12 hashers ready to hear the trail of destructions from **Tow Job** starting on **Orange** tape and called it the experimental tide run. The run he wanted to do for the ages, describing it as a 40-50min walk with wet feet hashy obstacle crossing in ankle deep water. Trust me, the tide is going out, **Towy** says.

The Circle

Nosh consisted of Red Deli entrée chips followed by hot dawgs with onion, bacon and a variety of condiments. YUM! We learned a new tip of cooking the big bouys on the bbq, instead of boiling them.

Run Report

A/GM **Gropa** asks **Cum Again** to rate the run/walk, 8/10. It was all terrain and scenic except for the chatters. **OBE** explored a new part of Darwin as he hadn't been around the back of CDU Horticulture building before.

BackPage and **Gropa** went to the effort to mark trail at checks and layed down a large wooden arrow across the path to ensure hashers took the LEFT turn into the bushes behind CDU and **Cricket** picked that stick up and threw it away, cursing as he rides his bike there every morning! He then missed the turn. 😊

Hare

Hare **Tow Job** serenaded to Shitty Trail

Virgins Visitors – NIL

Returners – Oops

Oops in sympathy with **Barbwire** both with opposite damages legs. Bring on the 3 legged race!

Fines

Noting scribe sent out an email the day prior advising to bring extra footwear as there will be shiggy. **Rocketman** replied asking ???shiggy. Scribe messaged him to explain.....FINE.

Cricket fined by **BackPage** for hash minding, leaving a beer bottle and stubby cooler behind last week hidden between chairs .FINE (both serenaded to Your Stupid)

The Chook (& shirt)

Cum Again got up and disgusted with the state of the chook and shirt, explained in detail the cleansing diet the chook suffered to be reborn again with a new chakra, pure energy and squaark.

OBE is honored to care for the chook from **Cum Again** after its cleansing and healing.

Jokes

Cricket – A young lady in a maternity ward gives birth to a child. Around day 2, the mother in-law is holding baby and says “not to put a finer point on it, the baby doesn’t look like my son or you for that matter”. The young lady pulls up her skirt and said “last time I looked I had a fanny, not a photocopier”!

Gropa ran into **Lighten Up** yesterday at the Waterfront and he had a smile on his face, so good to see!

Also **HIV** and **Enola** are having a blast traveling and in Singaore and Malaysia. Loving the neighbours rogue chook eggs too!
