Run 2777

The Hare – OBE & Jensett

4 Tugawilly Cres, Ludmilla

Walk/Run – 4.8km traditional shiggy

GM **Gropa** pooled the 13 harriers for **OBE's** trail of destructions so we can float the run. We are on **yellow tape** and no point for chalk with all this rain!

The Circle

Nosh consisted of two types of amazeballs (beef and chicken) in their own flavoured sauce topped with shallots or beans, mash and peas.

Run Report

GM **Gropa** asks the hashers to rate the walk and **Gash** describes an excellent high tide shiggy run, with Ludmilla undergrowth and lower Fannie Bay, topped with melioidosis and wiggles, flushed with a tasty piss stop of Stones and dry ginger ale with our Anglecare guardians near by. The run rated 9.9/10. **Rocketman** said it was 4.8km and **Fullbottle** rated the tugawilly length of **yellow tape**!

Hare – OBE & Jensett

Hare **OBE & Jensett** were serenaded to Shitty Trail (explaining destructions)

Fines

Lord OBE was fined for matching his birthday numbers with the run tally. 77 all round. We were serenaded to **Lord OBE's** favourite music, with a hashers sing along and **Saint Physio's** mouth organ, until he was one day closer to his death and hashy birthday was sung. Nothing like Mr Buggalugs to help devour the birthday cake!

Jokes

Saint Physio – I usually don't tell midget jokes but when I do, I keep them short!

Gropa – A man and an emu walk into a pub, order a hamburger with chips and a beer. The barman asks the Emu what do you want and it replied the same. The man asks, how much? The barman says \$42.50 and the man reaches into his pocket pulls out the exact right amount of money. This continues to happen over the next few nights. Next night the man and emu walk in and the barman says, you want the same? The man says no, its Friday night, ill have roast beef and roast potatoes, pumpkin and a beer. The barman asks the emu and he says the same. The man asks how much and he pulls the exact right amount of money outa his pocket again. The barman asks, how cum you always have the exact right amount of money in your pocket? The man says, well I found an old lamp, gavit it a rub and found a genie in it and I got two wishes. The first wish was to have enough money in my pocket to buy what I want. The second wish was for a bird with long legs that went along with what I'm doing!

Richmond Park at the BBQ's

Hash Aussie Day Anthem by Ted Egan, recited by Killer

Darwin Hash, let us rejoice,
 'Cause on our runs we're free
 To drink our beer, and swear no fear
 In the bush or by the sea.
 We burp and fart; we smell quite tart,
 Our dress sense less than glam.
 From coast to coast, you'll hear us
 boast,
 "I hash, because I can."
 Stand tall and proud and sing out loud
 "I hash, therefore, I am."

Through shiggy mud and roads we run
 'Tween toes, we've slime and sand.
 We curse the trail, 'cause we need ale,
 The on-backs we can't stand.
 Our eskies brim with lots of beer,
 The circle is mayhem.
 It's all the rage, whatever sex or age,
 "I hash, because I can."
 Stand tall and proud and sing out loud
 "I hash, therefore, I am."
ON ON, YA BASTARDS
