## Run 2785

### The Hare – Pickles

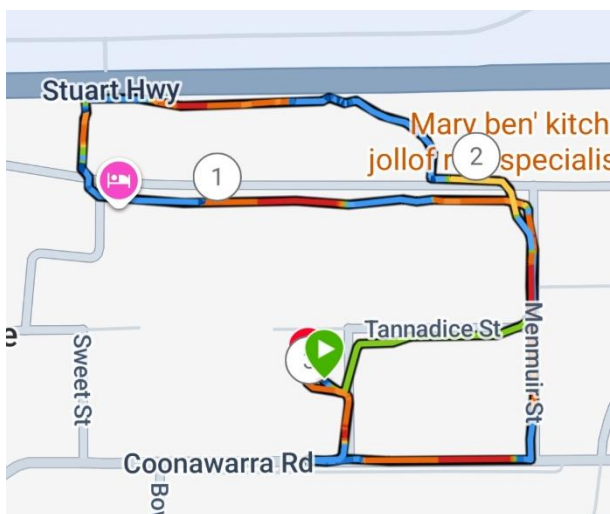

GM **Gropa** alerts the 16 harriers its overrun o'clock and **Pickles** explains the trail of destructions, including **pink bits** and **white chalk**. You gotta lick up and down and there is a pidden hiss stop if ya follow trail.

Pickles the fortune Prickle

Walk 3.77km

Run 3.01km

Not one harrier made it around the intended trail or found the PISS STOP!

That's one Shitty Trail!

## The Circle

Nosh was cooked by the lovely Sue and was tomato, lentil and sausage casserole. It was hot to trot too!

## Run Report

GM **Gropa** asks for a harrier to rate the run, so **Tow Job** volunteers a 9/10 for the trail as it was a very good run, quiet, silent, no dogs barking, so a bloody good run. GM followed up with we were sometimes on and off trail, we viewed a vintage car collection and **OBE** speaks up saying only two made the piss stop. **BackPage** quickly enquires about the invisible transport to make the piss stop. The hare was overhead saying easy to see if ya look, though ack that he had to check trail twice as tape went missing!

**Enola** leading the walkers!

## Hare – Pickles

**Pickles** killa looks, supported by **Barbwire's** Blue Steel pout. Serenaded to Shitty Trail

Virgins & Visitors – NIL

Returners – NIL

Fines

Tow Job fines doesn't have a fine however an observation. As the fuel prices are up, we are down to one Easter egg, one chicken, so if I catch the Easter Bunny he's goin on the rotisserie!

Jokes – if scribe could only keep up to take the jokes seriously

Cricket what did Spartacus say after eating the lion. Gladiator (glad-he-ate-her)

Cricket explains a story about Monkey and a client, who serves him a coffee made from Brazil. Monkey says, it musta been recent as the coffee is still warm!

HIV describes something about how it's the little things that count!

Jensett explains the joke below:

The Chook (& shirt) = HIV

HIV shares the chook with himself!

Well, I just F\*%ked up! She is sleeping with the hens

The first bit of chalk found

GM contemplating why the sky is blue

There's a keg, all mezmorised

Post-lube

Ewwe, whats over there!

Thanks **Monkey** for hosting the venue!

### NOTE:

Jensett is designing a long sleeve shirt for DH3 harriers for our 2800<sup>th</sup> run. Please let Jensett know if you want a shirt or not, so it can be sorted. DH3 will subsidise long sleeve shirts so they only cost \$50 per DH3 hasher. Shirts will not be offered to anyone other than a DH3 hasher.

A vibrant, cartoon-style poster for a running event. At the top, the text 'TOP END HASH AGPU' is written in large, bold, yellow letters with a black outline. Below the title, two anthropomorphic bull characters are running towards the viewer. The bull on the left is wearing a red tank top and blue shorts, holding a large mug of beer. The bull on the right is wearing a pink tank top and a pink skirt, holding a glass of wine. The background shows a dirt path leading through a landscape with palm trees under a sunset sky. In the center, a wooden sign reads 'Saturday 30th May' and 'Corroboree Park Tavern'. Below the sign, it says 'Camping &amp; Powered Sites Available For Cabins PH 08 89788920'. Another wooden sign below that says 'Run starts at 4PM SHARP!' and 'TEH3 Eskys On at 15:30'. To the left of the sign is a BBQ grill with sausages cooking. To the right is a red cooler with 'TEH' written on it, containing several bottles of beer. At the bottom, a red banner reads 'Where the Trail is Long &amp; The Jokes Are Wrong!'.
