Hare – Oops

The keg was pouring beautifully until some bastard said, “Hey listen up you pricks, OOP’s is gonna tell ya where to go.” And Yea verily it was so. We were to go off down the hill on pink tape & white chalk arrows. Piss Stop?? It is pouring beautifully.

The Circle – Returning Runners

GM **Gropa** begins the circle with returning runners. **Skiddy & Full Bottle** attend the circle to hear the circles dulcet tones of “Where O’ where were you last week...”

Visitors

As the parade of visitors on their way to Jogykarta begins, **Skiddy** had brought 2 visitors. **Cosmo** a quiet American who

complained of not having a beer at the Adelaide River pub while filling **Skiddy's** Cruiser at Bee's Creek on the way back from some swimming hole yada yada. Which goes to remind us all, do not ask a yank a question unless your prepared to sit through the answer. **Skiddy** made him come.

Ma Bush also brought along by **Skiddy**, a Brazillion also on her way to Inter Hash. Look her up if you are at the beach in Sao Paulo where she runs a Hash Pub.

Its Ma Bush

Run Report

Cricket was asked if he would like to give a run report, he replied in the affirmative. “It went up there and around and we picked a bale of cotton and then went on again. A sneaky false trail noted by many but followed by none, was described by the hare as “That was bloody orange not pink tape you blind bastards.” Outrageously high scores were bandied about until **OOP's** became quite the giddy girdy. Serenaded to Shitty Trail

Nosh

While succulent flavours did abound, tonight's standout was the Chilli Mango Chutney, crafted in the folds of an aborigine's armpit in the thriving metropolis of Pine Creek. It added an extra level to the already superb offerings. I suspect many a hasher will now drop by Maiseys to secure a bottle of this tantalising condiment.

Virgins - NIL

Fines

There was mention of a fine for **HIV** who mentioned the price of petrol, with a retort of "What would he know about the price of petrol?" "I am saving up to buy a litre for my motor mower". So instead **Skiddy** was charged for using too much fuel rushing to get to Hash. **Ma Bush** serenaded her to "Words can bring you down down..."

It was her – she did it

Jokes

Cosmo said he was going out with twins and when asked how he could tell them apart explained, "Well Sarah has the best purple nail polish, and the other one is Bob, he has a dick"

Whoever made up the word Dentures really missed an opportunity to call them substitooths.

The Chook (& shirt) = Rocketman

Rocketman MIA

Oh not a feelin, chook F&\$cker!
