Hares – Rice/Chillibush New Committee

THE RUN #2742

NEW COMMITTEE RUN/RICE- CHILLIBUSH

New Hash Scribe, Backpage RSM, buggered off into the sunset to teach little people how to be Soldiers. Consequently, poor old Physio has had to do the Sheet for tonight's run. Including the late arrival of Barbwire and Guest, we had a pack of around 21. Leftover kegs from the AGPU were pouring perfectly. At precisely 6pm, new GM, Ricemaster sent us off on Orange tape into the sunset. The new GM endeared the pack by setting a very short post AGPU run of 1.57km through a few streets of Millner.

THE CIRCLE

GM, Ricemaster, ably assisted by Choirmaster Gropa commenced the Circle at 1932hrs after the tucker. First up were Shithouse and Taffy who are heading back to Tassie. They were tastefully farewelled by the usual FOYC led by Chillibush. Shithouse (real name Chris Marlowe) invited us all to visit him at Hobart Hash.

CHOOKFUCKA

Enola apparently has the Chook from the AGPU for mislaying her knickers. It seems Ex GM Oops also mislaid hers. She was seen trying on a pair of shorts that seemed to fit. My notes now say Gash – Guilty. No idea what that was for.

FINES

Barbwire and Guest arrived at 1957hrs and were promptly fined. Barbwire skulled his handle. He obviously wasn't driving.

JOKES

Rocket man told a Rudolph joke. Taffy told a Monks joke and joke number 132 and a Parrot dick joke. HIV said something about Oops and McDonalds. (WTF)

The Hares

Oops gave a score of one quarter for lack of tape and obstacles?

The Tucker

Cashew chicken which was apparently left over from the AGPU but was extremely yummy and got a score of 10 out of 10. There was a shortage of spoons and forks.

NEXT WEEKS RUN

Backpage is the Hare and will advise during the week the venue.
