## Run 2770

### The Hare – Cricket

34 Bishop St Woolner

Run 4.79km & Walk 4.82km, no checks

A/GM **Gropa** gathers the 17 hashers ready to hear the trail of destructions from **Cricket** starting on Snell st, then, you know, over there, up there, around here, on white chalk and pink tape. Ignore anything else you see.

### The Circle

Nosh consisted of hamburgers with cheese, beetroot, tomato, green fluffy stuff, with a variety of sauces. YUM!

Fined and won chook for burning the burgers!

A/GM **Gropa** is nudged to crack on with the circle after nosh “as sum of us gotta work”, [BackPage](#).

### Run Report

A/GM **Gropa** asks **Fullbottle** to rate the run/walk, 9.5/10. It was over there, up here, down there, up Douglas, down Dallas and past Woodchips place, all dreaming of a piss stop there. **Fullbottle** was heard stating, “the hare is old and fit and it was a hot run!”

HIV was also heard muttering about Tossers, oh I mean Tesler owners, as he crossed a Tesler on the run that he hadn’t seen in Darwin, with a number plate Tosler! They are all tossers!

**Oops** and **OBE** sweeps, bringing up the rear, and **Oops** had a chin sweat dripping fun of a time on the run. The mob accused

them of finding a puss stop for being so late.

## Hare

Hare **Cricket** serenaded to 4'n20 hashers

## Virgins Visitors Returners – NIL

## Hashy Spirit

Rice Master and Chilli Bush donated water and energy drinks to refugees from the Thailand & Cambodian War, which is being fought not far from their farm. We miss you lot!

## Fines

**The Circle** bantered about someone stealing **Oops** chair.

**Rocketman** was not fined for phone going off in the curcle, not once, but twice.

## The Chook (& shirt)

**Gash** got up and proposed 3 options for the chook, firstly **Jensett** for stealing **Oops**

chair, secondly, **Tow Job** for a flower in his hair, thirdly the hare **Cricket** for burning the hamburgers. **Gash** wanted the curcle to help vote for the winner of the chook, however this did not eventuate, so **Gash** took his chook again and sat down.

**BackPage** encouraged **Gash** to choose a winner chicken dinner, to no alas.

Eventually **Cricket** volunteered for the chook.

Stop the press – the chook shirt was returned! Thanks **Fullbottle**!

## Jokes

**Rocketman** - I musta been an ugly child as the priests never touched me.

**Rocketman** – The cartoon characters Sam Toocan, Frostie the Lion and Coco the Monkey were found dead. Homocide are investigating and have determined they are looking for a cereal killer.

## Other Hash Banter

**Cricket** was chastised for his previous run for bent arrows, so this run the 423cm ruler cum out to create hard ons with straight and long arrow heads, except for corner arrows, that had a bend in it.

**Rocketman** has received an honour from St John's Priory regarding an admission or promotion in the Most Venerable Order of the Hospital of St John of Jerusalem, which will be published on the Australian Government House website. CONGRATS!

A/GM **Gropa** was heard giving **Monkey** a Christmas compliment saying if he put on a Santa suit, he could earn coin having little girls sit on his lap.

We are all sending our thoughts to **Bitta** for a good recovery from his surgery. Also **LLL** hasn't been well either, so get well soon mate. DH3 hashers send all our positive vibes to you both!

It was great to see **Lighten Up** out and about playing social bowls too!

## Hashy Christmas Greetings

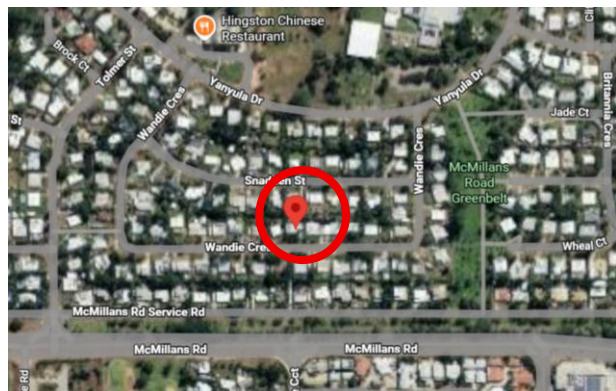

**Bitta**, **Rice Master**, **Chilli Bush** and **LLL** all send their Hashy Christmas greetings to DH3. We miss you all, Hashy Christmas to you!
