## Run 2768

### The Hare – Pickles

Lee Point Rotunda

**Run / Walk** = 1.94km with keg stop at the hash house

A/GM **Gropa** rallies the 14 apprehensive hashers and calls the hare up to convince us the storm cell is moving away from us and share destructions.

Pink tape and white chalk

### The Circle

A/GM **Gropa** lights the sky up after we eat a yummy traditional nosh consisting of bangers and yunions, with tomato, BBQ sorse and mustard squashed between bread top and bottum, sweetened by **Endola's** golden pineapple.

### Run Report

A/GM **Gropa** asks **OBE** to rate the run/walk, 9.5/10. Something about being well marked (even chalk on dirt), some 10 toes up and 10 toes down with stepping stones around obstacles and water xings, which is getting harder for an old man! **Barbwire** never found the puss stop! (thankfully)

## Hare

Hare **Pickles** serenaded to shitty trail

**Pickles** also was serenaded by the mob to f&\$k off ya C&@t while A/GM **Gropo** was serenading put it in ya hand Mrs Palmer, as is the departed for SA migration for a few months.

## Virgins & Visitors - NIL

## Returners - Boots

**Boots** returned back home to hash

## Fines

**Tow Job** fined the hare for being bombarded by the pluvers, as he felt unsafe and was invaded by the secret undercover disguised birds from Cybirdia. The fine was rated frivolous and didn't proceed.

**Rocketman** fined for his new DH3 shoes.

Rocketman's new shoes were voted for down down by the enthused harriers

## The Chook (& shirt) = Rocketman to Guest

Stop the press – the chook shirt is missing, if you were the hasher who has the shirt, please bring it back. **Guest** was the lucky winner after an orgy vote for **Guest** for having a plateful of BBQ sorse from nosh tonight.....**HIV** was a close contender when a few weeks ago he turned right instead of left.
