### THE RUN #2735

While I still have your attention, somewhere near the bottom of this sheet are some details on the upcoming AGPU at the end of May.

Thirteen runners tonight, the numbers are going up and up. Hare, Rocketman provided some welcome bug spray for the green ants and sandflies. At 6pm the Hare sent us off on orange tape and white chalky stuff, right onto Lakeside Dve then left onto Stasinowski St. Then the run meandered through the streets of Alawa until a welcome piss stop of various brands of beer on the corner of Dripstone Rd and Lakeside Dve. The Hare had provided plenty of ice for the beer which GM, Oops threw far and wide cos her favourite beer was hidden at the bottom of the esky. Then, on on home

### THE CIRCLE

After the excellent gourmet pizza tucker, GM Oops and Choir Master Physio commenced the Circle.

### RETURNING RUNNERS and VISITORS

No returners or visitors although Backpage had been down south over the weekend for a family Wedding.

### FINES

I don't remember any fines.

### CHOOKFUCKER

Chookfucker, Ricemaster handed the chook over to Backpage who had fallen in love with Ricemasters Chook Tshirt which apparently came all the way from Mexico. So Backpage wore both.

### JOKES

Rocket Man told quite a funny joke and was followed by Jensett and OBE?

*Alawa Community Hall*

### THE HARE

The Hare, Rocketman got 7/10 for the run and piss stop from Gropa which I thought was a bit harsh. I think the tucker got 10/10.

**The Hare, Rocket Man**

### THE TUCKER –

Rocketman spent a bit of extra cash and bought gourmet Domino's pizzas and excellent garlic bread which made Physios offering a couple of weeks ago look a bit ordinary.

### NEXT WEEK'S RUN

**OBE and Jensett - 4 Tudawali St Ludmilla**

**Backpage Chookfucka**

## AGPU

The AGPU this year will be at OBE/Jensetts property at Corroboree on The weekend of Saturday 31<sup>st</sup> May and Sunday 1<sup>st</sup> June although, as is tradition everyone is welcome from Friday evening 30<sup>th</sup> May. Cost will be \$20.00 per person which will include beer, wine and soft drinks as well as food Saturday lunch, Saturday evening meal and Sunday breakfast. Not sure what is happening Saturday breakfast, maybe byo. Friday evening meal will probably be buy your own from Corroboree Tavern where the meals are quite reasonable.

You may bring your camping gear and camp around OBE/Jensetts place or book accommodation at the Corroboree Tavern which is a short walk away. I believe there is some AC accommodation there as well as non AC dongas.

I have forgotten the exact address of OBE/Jensetts at Corroboree but that will be supplied as well as any fine details about the AGPU over the next few weeks.
