Run 2765

The Hares – Barbwire & Guest with Towjob assistance

Fannie Bay Gaol Car Park

Run = o00okm Runbrella's run

Walk = o00okm – Hash Cash in the Ark

New venue: 10 Giles St as we were all wet in Fannie's Bay

A/GM **Gropa** rallies the 17 limp and soggy harriers who elected the run to the eskies, drinking beer and knawring chips to survive the great flood. **Barbwire** &

Towjob's run had no destructions, so we can all fry out and balm up.

However, it was stacks on in cars as we all raced to high ground, which **Enola** confirmed was 2 fathoms or two **Cricket's** above the flooding hare trail, which by now was prefect for snorkelling.

The Circle

A/GM **Gropa** also helped carry the nosh to the staving mob, who needed something to go with the beer and chips being swallowed up by swelling gutz.

Run Report

A/GM **Gropa** asks **OBE** to rate the run, stating it's the first time I kept up with the pack and its a VIRGIN run not one inch was pushed into trail, and we shouldn't make it a trend! What, no penetration **Fullbottle** exclaimed? There was some bullshit about John Laws and horseshit about the race that stopped the hashers.

Nosh

Nosh consisted of **Guest's** amazing Fannie Bay chooks with Aussie salad spread out on pineapple, baby gerkhins, salami, cherry tomatoes, boiled eggs, peppers, cucumber (with a fork slicing its side), bread rolls, butter, beetrooting strawberries, ohh and the jar of peppers, not even **Pickles** or **Towjob** could crack.

The nosh was not rated as A/GM **Gropa** didn't want to look bad with his sausage nosh cumin up. **Guest** declared liliiking sausages!

The nosh gone so quickly

Hare's

Hare's **Barbwire** & **Guest/Towjob** were serenaded to Shitty Trail for it was not fit for hashers! Were they tortoise's instead?

Virgins & Visitors - NIL

Returners – Minute Man

Minute Man, Gropa & a chip off the old shoulder **Fullbottle**

Fines

Banter from **OBE** about difficult work, Fullbottle with a frivolous fine for Minute Man for being the last one in tonight. The A/GM **Gropa** defenced it stating we have no rasicts here at hash, more mumbling about Poo^%&s both agendas. This rabble inspired **HIV** to dribble on some more about every 75c paid to women, they hadn't been paying the blokes adolla, paying them less!

The Chook (& shirt)

After winning the chook a second week, **HIV** and the chook discussed fining the one who made him squarkcum twice, so **Minute Man** is the new Chuuk. All of a bingtang sundown the chook cum alive....sqarrk

Minute Man and swkarrky

Jokes

Rocketman what do you get if you put a dolla coin in the freeza for an hour? Cold hard cash!

Announcements

DH3 Xmas hash is on 08 Dec 25 at the great **OBE & Jensett's** place, Tugawilly St.

DH3 AGPU weekend date was thrown to the hashdaws to decide on 22-24 May 2026, venues to be explored such as Dundee Beach.

DH3 2800th run is rowing up fast, and its due approx. 06 July 2026 just in time for the new committee. The drunken mob agreed for a combined run at Casurina Surf Club and make a donation so we can have our own grog like our successful one last time.

DH3 social nights to pop their ugly head up as the club forgot how fun a Friday social drink a keg night was. More social events to come.

NT Hash Soiree was a fun night had by all.

Next Week's Run – Rocketman
