Run 2781

The Hare – Boots with help from not Saint Physio HIV

Walk/Run – 4.2km shiggy

GM **Gropa** found his eyes and lined up the dry harriers soon to becom wet harriers for **HIV's** trail of destructions. We are on **orange tape** and it's a wheelchair run.

Barbwire Hash Horn

The Circle

Nosh was a sausage sizzle which we all love cooked by our dancing Boots

Run Report

GM **Gropa** asks **Gash** to rate the run/walk which scored 9.9/10 shiggy trail, which was short and sweet (for the short cutting bastards), the wheelchair paths became swimming pools, with stolen cars, chasing dogs who became too close to nipping **BackPage** with a hidden pissetop, that the shortcutters missed. The RA **Tow Job** did his job and kept the wholly flood away for the run, with the sound of rain on the pergola during the circle.

Hare – Boots helped by not Saint Physio HIV

Hares **Boots** was serenaded to Shitty Trail. Sorry **HIV**, Scribe missed a pic of the collected to increase confusion for destructions.

Virgins, Visitors & Returners - NIL

Fines

Guest, Gash & Monkey fined for being "One day closer to their Death"

The Chook (& shirt) = Pickles

Pickles held onto the chook another week, and shoulda been set on ice, for forgetting her. Chicken shit!
