Run 2771

The Hare – BackPage

27 Wandie Cresant Anula

Run / Walk 3.5km

A/GM **Gropa** gathers the 13 hashers ready to hear the trail of destructions from **BackPage** starting on green tape yes, you remembered, green tape in green trees, nothing like some camo trail! Out gate turn left.

The Circle

Nosh consisted of an entrée of artichoke and spinach dip with crackers and potato chips. Main meal was Christmas ham sandwiches and condiments (sweet mustard pickles, English mustard, green tomato relish and Pommery) with fresh wholemeal, multigrain or white bread and butter, yes butter. Topped by a mature pudding and custard dessert. Also bon bons for a bang!

Run Report

A/GM **Gropa** asks **Boots** to rate the run/walk, 8/10. It was alright, says **Boots**, a bit long, **OBE** says he told him where the shortcut was but he was ignored.

Cum Again was asked to rate the run and it was easy, she said, lots of dogs heard about trail and **OBE** discussed lots of dead trees too!

Hare

Hare **BackPage** serenaded to Shitty Trail

Virgins Visitors – NIL

Returners – Sexon & Cum Again

Fines

Boots had no hash attire on, and someone noticed no socks either, **Rocketman** was sockless too, and ohm the hare **BackPage** wore thongs and bare feet, however A/GM **Gropa** didn't fine them.

The Chook (& shirt)

Cricket got up and proposed that **Cum Again** is showing her youthfulness every time she presents and this was chook worthy. Serenaded to horses arse.

Jokes – the monsoon came

Fullbottle – What do you call a chicken looking at lettuce?.....a chicken sees a salad!

A/GM Gropa a bon bob joke – what do you call a penguin in the desert?.....Lost

OBE – There are 2 lettuce, one is a girl, the other a boy. The girl lettuce says, looking at the boy lettuce, look at the slug on that!

Rocketman – Why did the Christmas tree star on top of tree, change to an angel? Well Santa was having a bad day, his parcel bag split, he decided to have a coffee and dropped his mug, then an angel knocked on his door and Santa answered asking what do you want? The Angel carrying a Christmas tree asked Santa where do you want it? Hence forth, the angel is stuck on top of the tree!

Tow Job – I had to go to hospital to get special help from the special ward. I was surprised to see Santa and his reindeer in the special ward too. I asked why are you here Santa, and he replied when you go up and down and all around these places every year, you'd end up here too!

Rocketman – Johnson and Johnson had a Christmas promotion for tampons. The slogan was "to cover your Christmas period".

Merry Christmas DH3
