Run 2787

The Hare – Gropa

GM **Gropa** alerts the 19 harriers its time to get the show on the road but Coco already beat the hare out of the bag. GM Gropa, the hare explains the trail of destructions, including **orange tape** and white chalk. There is a piss stop, and there is no need for money honey! Whoo the harriers cry.

Contour Run/Walk 3.4 to 3.66km

The Circle

Nosh was lasagne, salad and garlic bread, YUM!. Everyone loved it. There was even banter around the high steaks about the nosh tonight!

Run Report

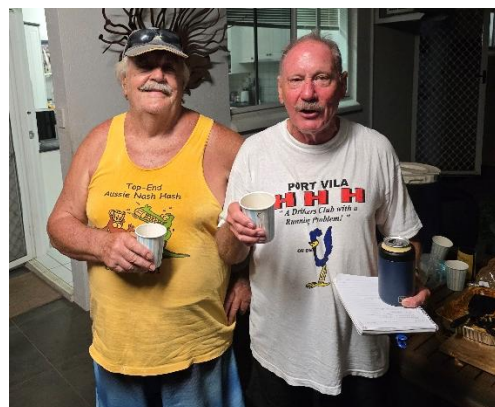

Well the bantums started early nutting about a zoo run, how we love peanuts and how you can feed the animals, if we navigate south of the harymare (Berrimah) line.

GM **Gropa** asks **Come Again** to rate the run, so its a 7.5/10 for the trail as it was up a hill, up another hill, down some rocks, up another two hills, down again and up after missing the check at the top of a Hill. **BackPage** called **Come Again** back on trail and who should we meet, **HIV** on trail! **Tow Job** shares a **BackPage** story about the Barkville dawgs (musta hipnotised Coco, who went missing and hound herself again),and how he was talking to the dogs, saying good evening and the dawgs were barkin im gonna eat you. **Sir Animal** asked are you swore it wasn't a pussy?

More hash dribbled on for a while when Cricket is given permission to show is toad. Cricket is dreaming of eating a cane toad!

Hare – Gropa & Hosted by Animal

Virgins - NIL

Visitors – Just Iuri & Her Royal Highness Lady Di

Lovely story of a Brazilian return to visit Aussie exchange family Oops! Iuri came by himself, after 39 years ago living with Opps and Hooper as an exchange student and it changed his life! Became a molecular genetics cancer specialist and became a teacher like Oops! What did your dad say when you learned NZ and not English? (Senenaded to the GM has tuberculosis). We should name him Waxoff!

Returners – Animal & Come Again

Good to have you back and another runner! See you all next time.

F*&k Offs – Pickles

He's leaving us again...until AGPU!

Fines – No fines tonight

Jokes – too many for scribe

Animal is rambling about a bloke from QLD, running cattle and going to England as he wants to work. He goes to Harrods as they sell everything and says he wants a job. He explains hes got sales experience. They give him ago and at the end of day one, the boss asks, how many sales did you make....well he proudly says, one! The boss says, well that's not very good, usually the sales team sell about 17 items each. Well what did ya sell? The fella from QLD explains, he sold fishing lures, for \$\$\$\$\$. What the boss says! Well, the man goes on to explain, well he was going fishing, so needs lures, and then needed a boat and then needed a 4WD. The boss asks, what did he come in for? The QLD fella says he wanted a pack of tampons. The fella replied and said well ya f*&ked, so you need to go fishing!

HIV dribbles about the fuel shortage and explains how the Irish are not worried. They just ordered 500 million tonnes of sand and they will dig their own!

Cricket reminded everyone about the three triplets from last week. Pat, was bush walking and found a case with 3 fox cubs in it. His heart melts and says they need some help, so he called the wildlife carers. Pat explained he found 3 fox cubs in suitcase and need some help and someone should look after them. The carer asks Pat, are they moving? Pat answers, well I didn't think about that, maybe that explains the suitcase!

Some hasher talked about an interview, but scribe was too slow and missed it.

Animal slurping describes to his mate how Oriely goes to a brewery and drowns. His mate asks was it quick? No he got out three times for a piss!

Rocketman (scribe thinks) explains how guest needs an ambulance and calls 000. Guest explains how she needs an

ambulance because she kicked her little toe on the table and broke it. The operator says you don't need an ambulance for a broken toe! Guest replies and said yes I do as barbwire looked at me!

There was a few more jokes and scribe couldn't keep up! Funny night!

The Chook (& shirt) = Pickles

Pickles shares the chook with Rocketman for not knowing how to measure 0.05! If a figure is a figure, under it, over it or on it! It is a measure!

Oh what a feelin, chook F&\$cker!
