Run 2745

The Hare – Gropa

The Run: Peddy Patch near Darwin Middle School

Run = 5.77km with Falsy

Walk – Dunno (no one recorded it)

GM **Rice Master** called attention to the 20 laze fair harriers for **Gropa** to explain the destructions on white arrows chalk and ohh yeah, and orange tape if you were listening carefully enough, to explore a sunset run. Down the hill, and back up (ya hary bastard) around the kiddies day centre, back past ski club, turned off before sailing club onto a long hilly false trail, back to the vere left arrow, continued up the same hill found trail, where runners and walkers split (maybe for a second time) past the back of the Parap Hotel (witch some hashers were spellbound to have a beer) hopping around the cemetery and resting spirits to the piss stop to ON HOME.

The Circle

GM **Rice Master** hurries up **Gropa** to prepare the GM's clip bored to keep the agenda on track and eat up tucka so the circle can start before some of us get hyperthermia.

Run Report

BackPage said the run was up and down hills, a big false trail, back to the veering arrow, not a check, and it was rated at half pint/10. **Gash** rated the walk a seasonably adjusted 9/10 as there was plenty of chalk, well marked trail, but didn't know about the orange tape (ears must be blocked). We would been locked into the cemetery if we were any later. Some of the seniors cut 1.91km included Sir **Physio** and **Barbwire**.

Tucka was yummy lasagne, salad balsamic dressing and Tiger French bread and butter. (Shitty Trail).

Returning Hashers

Babbling made a fashionably late appearance caught up in a love triangle. DH3 are jealous when the other lovers cum first. Welcum back wiggling bum

Visitors

Chew Caca visiting from Okinawa H3 who's mother hash is Long Beach California blessed us with his presents but complained his mates missed out on cuuming. Lucky for **Chew Caca**, he worked out how to cum all on his own and even made it to the right hash house! (Do ya balls hang low)

The Chook (& shirt)

Gash presented **HIV** for a misdemeanour a few weeks ago for the duck pond mess up, Then the crowd said it was too old a issue. Then **Gash** dirked **Sir Physio** for playing the US National Anthem on the harmonica. Accepted! Then the Australian National Anthem was played! Hold ya horses, Knock Knock, why was **Fullbottle** late to hash? Cause he went to the pump station as he failed to care about reading the shit sheat! Scribe not happy Jan....Ohh what a feeling! Chook Fucker

Fines

Lighten Up fined **Gropa** was muttering about no hashers turning up to the piss stop when there was more arrows than Custards last stand. Overturned.

Fullbottle fined **Jensett & Chew Caca** for not charging / paying the tarif....**Chew Caca** said NO DEAL!

Jokes

Sir Physio something about a having a boy and never being back to Thailand since.

HIV started writing a book auto biography.

Rocketman described gay whales that bit the end of the submarine off and sucked out all the seaman.

Jensett had a joke, but it was too fast for scribe to catch.

Lord OBE talked about dads and giving away virginity and father saying well it wont happen again. **Jensett** dodged the punch.

Towjob suggesting DH3 should buy a fire to keep all the harriers warm! **HIV & BackPage** are in for that hot idea!

Gropa kindly sharing piss stop drinks with the **BackPage** & **HIV** bastards who didn't make it in time because they were bewitched by the Parap Tavern.

Guest showing us all how its done, and describing the bouncer **Fullbottle** evesdropped on the shelia's and **Jensett** had a revolution.

Fullbottle, **Sir Physio**, **Towjob**, **Barbwire** & **Oops** all mezmorised by **Babblings** return

Prickles living up to his name.

Babbling back to shake us all up!

Night mode **Jensett & Rocketman** shenanigans, **Prickles** will drink to that

Night mode, its hard to stay still long enough when the scribe is saying hold, hold, hold.....I think I can, I think I can

These hashers know what it means to hold still, so the camera can cum.

Sir Physio holds the record for the fasted chook fucker handover, in less than a circle!
