## Run 2778

### The Hare – Gash

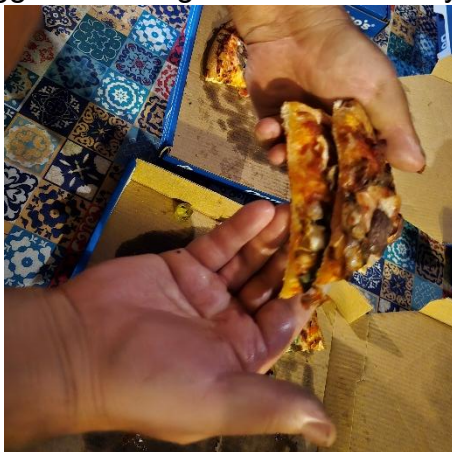

#### Walk/Run – 4.2km plus HIV checks

A/GM **Tow Job (TJ)** rounded up the 14 harriers for **Gash's** trail of destructions and **TJ** acted as a ventriloquist for **Gash**. We are on **green tape** and white chalk with a piss sopt (rum bottles as evidence).

### The Circle

Dawggies showing us how to curcle yap

Nosh Modinos (Dominos) pizza & plenty of it!

## Run Report

A/GM **Tow Job** asks the hashers to rate the run/walk and **TJ's** self rated 8.5/10 and **HIV** followed up with 9.5 good proper trail set, over walkway trumpet blowin, African drumming and singing rentainment, snakes, checks, barking gods, lots of chalk, long tape tails, stones, dry and beer refreshing piss stop with lots of ice

### Hare – Gash

Hare **Gash** was serenaded to 4n20 hashers.

### Virgins & Visitors - NIL

### Returners – HIV & Enola, Tow Job

**HIV** found his fown and could work out where hash was tonight so bothered tuning up.

**Tow Job** explained his holiday after sorting a beer, and started out with there was no room for the chook, to the disgust of scribe, who has been telling chook stories the last few weeks. We were entertained by the non hash stories, didn't go to Busselton or Adelaide hashes, went to Kangaroo Island instead and found a reason to get stuck there (VIC fires) so the ferry stunk. The chook was devastated not being on tour and competing with all the kangas, he played games while the cat is away.

### Fines

No fines today. **Gash** was overheard enquiring about pot holes!

## The Chook (& shirt) = On Holidays with Tow Job

The chook games.....the chook is ded "I think its an Agatha Christy! So chook remains with **Tow Job**. Thankfully **Enola** 'the chick saver" recently gave CPR to a chicken and it survived, so I'm sure the chook will revive and stayin alive, stayin alive, ah ah ah ah, stayin aliiiiive for next week.

### Jokes

**HIV** – 43% of women have used vibrators, 57% have new ones!
