Run 2756

The Hare – Lighten Up & Dibba Dobba

45 Brinkin Terrace, Brinkin

Bring a Handle Run

Run/Walk = 3.05km and 138188.976 inches and runners could double it if they wanted

GM **Rice Master** and the 18 harriers ignore the destructions from Lighten Up & Dibba Dobba hares and decide to sit back and enjoy the piss instead! GM gives the pack a nudge and they reluctantly search for trail on green tape and white chalk to earn the keg!

The Circle Run Report

GM asks **W00dchup** to rate the run/walk. 7/10 after sloshing the keg. **Cricket** didn't walk it, **Rocketman** short cutted, **OBE** made the piss stop when the wisdom of all **GM** missed it. **OBE** reports being On On white chalk, found the piss stop and they were all pissed and we only found 3 arrows, rated imperial 9/10.

HIV, says the run was 15 furlongs!

Gropa's knee remains on strike and **BackPage's** skin moved for the first time in 4 weeks doing the walk.

Nosh was **Lighten Up's** gourmet home made hamburgers with caramelised onion and fresh salad with bread-and-butter pudding for dessert rated 11/10 by **Cricket**. We could smell the Dijon mustard when the burgers were cooking.

Hares **Lighten Up** and **Dibba Dobba** were introduced with "and the hare on dickie di doe hang down to his knees". **Lighten Up** & **Dibba Dobba** were serenaded to Shitty Trail.

Virgins - NIL

Visitors – Woodchip

Woodchip is moving to Ludmilla after doing a **BackPage** and bedroom sufig, so maybe he will becom a regular DH3 wanker (tru blue)

Returners - Gash

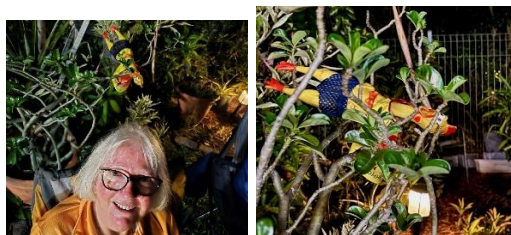

Gash reports conducting a retirement home inspection at Bowen and I found my mother there, we even had a feed together after taking out ya teeth (oh where oh where have you been)

Fines

The crowd tried to fine **Lighten Up** for no hash attire, however it was overturned as he has his DH3 AGPU Marrakai hat on.

The Chook (& shirt)

Gash MIA has returned from a four-week driving miss daisy trip. A few nominations, including **Lighten Up** for no hash apparel, the 3 x pissstoppers who got lost in Nakara, drove past us 3 times including Dibba Dobba, Jensett and Chilli Bush “we were having a drive a around and didn’t get lost at all”. The winner is Dibba Dobba with a flying chook

Jokes

Cricket old gentleman at nursing home died at 98 and great granddaughter raced to see great grandma and asked what happened to great grandapa? We were making love and he died doing that. Great granddaughter asked are you for real? Yeah, we perfected it and every few weeks we get amorous and we do it on Sunday when church bells are ringing and it’s a nice rhythm with in on the ding and out on the dong with bells going. It’s been that way for last 15 years? Great grand daughter asked, so what happened on Sunday? Well we didn’t know Mr Whippy van was coming around the corner.

HIV was complaining about prices, if you want to swim with dolphins you pay \$\$\$..If you want to swim with sharks, it will cost you an arm and a leg.

Physio went to Murry Bridge for mums birthday and I took her to a beauty salon. You know, the ones with the fish that eat all the dead skin. It took about 6 hrs but it was cheaper than a cremation.
