Run 2788

The Hare – BackPage

GM **Gropa** alerts the 16 harriers to listen to the hare explain the trail of destructions, including **cammo green tape** and white chalk to make the most of the sunset run. There is a piss stop, in Paspaly place. If only the harriers could listen to the destructions. Even with diverting the trail there was still plenty of sunset and water to enjoy.

Sunset Run/Walk 3 to 4.2 km

The Circle

Nosh was entree of spinach and artichoke sourdow cob loaf dip, followed by French potato and BBQ chicken licken and for those Dr Whooooo stayed long enough a mint slice chaser. Even Enola went back for seconds!

The Thing hunting food

Run Report

Well GM **Gropa** asks **Oops** to rate the run 10/10 for the roundabout confusion. **Jensett** worked out a new way to ice a the hare for a typical f&%k up, so **BackPage** was iced down captured by the sports bra, followed by an everybody jingling dance by **BackPage**.

Jokes – too many for scribe

OBE is trying to explain to his sun how countries are led. Son he said, empires are run by emperors, kingdoms are run by Kings, cuntries are run by

Scribe missed who the joke teller was. A brunett was chasing vloes at monsoons, and got this Brazillian, how many blokes is that? Scribe needs to type faster!

Gash has old mate Mick digging holes, he repeats it and crosses the street, digging

more holes. A coppa asks him what ya doin. Mick says well my colleague rang in sick, and he was supposed to plant the tree!

Rocketman recited Custards last stand “holy mackerel f&%kin Indians.

Birthday = BackPage – Half a Centurion

BackPage one day closer to her death

The Chook (& shirt) = Rocketman

Rocketman banters the following and goes for a vote regarding BackPage for roundabout confusion or Barbwire for waiting for someone to walk with him. Reversed by the crowd, Rocketman is the chicken winner again!

Oh what a feelin, chook F&\$cker!

Announcements

Killer TEH3 has survived a quadruple bypass in Dallas USA, we are all sending out love and thoughts to our fellow brother hasher. We think so much of Killer that the advice was to do some sexercise so he can push-up the grass if he ever found himself horizontal looking up at dirt. We miss you Killer.

Animal also loved us taking hash to him, so let's keep it up our amazing hash family. Till the next runs. There are some other DH3 hashers we could take hash to if they are up to it.

DH3 AGPU weekend 22-24 May 2026, at Coomalie Creek Church Campground – put your hand up for a committee role or you'll be stabbed. Iddy Amin is going to design the flyer for us.

Jensett is designing a long sleeve shirt for DH3 harrers for our 2800th run. Please let Jensett know if you want a shirt or not, so it can be sorted. DH3 will subsidise long sleeve shirts so they only cost \$50 per DH3 hasher. Shirts will not be offered to anyone other than a DH3 hasher.
