## Run 2773

### The Hare – Saint Physio

14 Lakes Crescent Marrara

Run / Walk - Pick your own adventure (approx. 4, 5 or 6km) Run was 4.78km

A/GM **Gropa** romps the 13 hashers plus OG's presents for the destructions from **Saint Physio** starting on **pink bits** and white chalk arrows.

Symbologist Saint Physio

### The Circle

Nosh consisted of yummy pizza, which was gone in a gobble, though we had to fight the cold storm down shaft for it along with the store manager who accepted cashola and went all limp, failing to deliver the goods.....

Someone say dominos or deadminos?

## Run Report

A/GM **Gropa** asks **Tow Job** to rate the run/walk, 10/10 as it was the best run ever. Well planned piss stop (fender bender brew) that had us all wobbly whilst pick a path was on offer, there was tape everywhere, no rain, a sunset, happy plovers, no barks, it was perfect! Saint Hysio is hoping it hasn't P(d)ented his reputation.

**HIV** says if you convert binary 1 and 0, you get 3 in decimal and you can play with your own titties **Jensett!** There was too much banter for scribe to catch.

## Hare

Hare **Saint Physio** serenaded to Shitty Trail. And the keg is pouring beautifully.

## Virgins & Visitors – NIL

## Returners – HIV & Enola

Ready set go! And they are off again!

## Fines

**Cricket** charged **Tow Job** for not collecting his **orange** tape last week on this side of rapid creek.....FINED (Tru blu)

**Oops** for a belated fined for **OBE** not collecting his **pink bits** a few weeks ago! FINED!

**OBE** fined forgetting his **pink bits** behind (your stupid)

## The Chook (& shirt) = Saint Hysio

**OBE** got up and explained he though the chook was staying in place until **Saint Physio** became **Saint Hysio**, losing his **P's** in a misfucktack.

Another genuine and innocent **P'oops!**

## Jokes

**Cricket**– A lady was at a bus stop with a really tight skirt on with a zip at the back, was thinking to herself “I hope the bus lowers it front door to the ground so I can step onto the bus and not sort my skirt out”. The bus arrives as an old crusty and doesn’t lower enough and she cant step up onto the bus door floor unless she adjusts her skirt. She tries to unzip her skirt a few times, with no success and a hulk of a man waiting behind her to board the bus picks her up and puts her on the bus. She turns and slaps his face, saying “you cant do that to me!” The hulk of a man replies saying “well after undoing my zip 3 times, I thought we were closer that that!”
