Run 2752

The Hare – Guest Barbwire & TowJob Hardly family Micket Creek Rifle Range gates

A-B Run = 4.21km (Walk 300m shorter)

GM **Rice Master** hallowed at the 15 harriers to turn on hearing aids to listen to **TowJob's** destructions on pink tape & orange estranged runners at the separation joint. **Gash** was heard saying "torches were needed for the run", as the destructions went On On ON ON.

An awaking occurred as BackPage could have been handy to help TowJob up his shorts.

The Circle

GM **Rice Master** "who's got a basket" waits for the authentic chicken curry green to warm up served with rice which was a hit.

Guest's magic green chicken curry

Run Report

Nosh report straight up, as you had to throw the Keffa out just in case you were needing to spoon. **Oops** rated nosh 9.5/10 as the Kefir was perfect, which GM **RiceMaster** choked. The 0.5 minus was because the bowls were tounge lickin stickin due to being environmentally friendly paper dish.

Can't take away as **Barbwire** successfully carried the curry dilly pot down the stairs without sharing a drop and then somehow tied it to the van to keep it all for himself.

Gropa raked the run 8.5/10 inches, well marked, plenty of tape, checks to keep us together and appreciated running under shade in unfamiliar country.

The walk sexonplained by **Fullbottle** saying it was as much fund as run, till the joint separated and we headed West up a (fence) line along sign saying Hardy Aviation. **Jensett** piped in re slowcumers hitching a ride. The pot spilled as kaos hit the circle with suffering singing “do do do dar day”, as the **Jensett** was winding up about anchors and taking care of shit. Remember anonamouse started it. The anchor was reframed to community service and the hashers were all grateful.

We didn't get a raking for the walk in the end. Hares **Barbwire**, **Guest** & **TowJob** assisting were serenaded to Shitty Trail

Virgins & Visitors - NIL

Returners

Fullbottle front and centre and explain your misdemeanours. GM **RiceMaster** asked where was mums note.....to which Fullbottle shocked the harries declaring him mum was dead, had dementia, stopped sending pocket money or calling any more.....thankfully Fullbottle was at Katherine showing off Cricket's famous **red** truck, which was wining all the truck races around the speed way. He was licky as Straya let him back to DH3. (Hares on its neck like a turkey)

TowJob was pulling his plug to blind the hashers enjoyment of his shenanigans.

Fines

BackPage was sprung with new shoes. Some Hashers forgot the fine of drinking your new shoe so **BackPage** reminded us all of an hold hash treddition.

BackPage drunk from new shoe after all the dust and sand run (on ya head)

Saint Physio forgot his standings as he opened his lunchbox and let everyone hear the breeze between cheeks and smell what was inside. It polluted the aire immensely They say smell is mostly on your tongue! The counter was “GM I asked for permission to fart” No fine!

Interesting Observation

One overheard the saying “One Marine down” (could this mean a bottle of bubbles) and maybe Hashers bringing another for a surprise for the Dame's next.

Guest & **Jensett** showing us up!

The Chook (& shirt)

Saint Physio had two nominees for the chook and shirt.

1. **TowJob** as there was not piss stop for the walkers and after calling Jensett confirmed the drunk bus had left the hash house, and shock he wasn't at the planned location. Another call popped in saying **TowJob** was on his way and be there in 2mins. However the Pusser stop was magnificent, and we were half pissed after drinking the bundy mix.
2. **Gash** at a check, what do you do if you find tape? **Fullbottle** asked Don't go past 2 tapes and say nothing, say On On at the first tape. **Gash** was declared a racist, racing the walkers on runners trail. Gash's response was it's a poultry excuse. Gash chook f**ker! (Trublu)

Jokes

OBE described a mirror on the back of a bathroom door. A wife says mirror, mirror, make me a 44, and miraculously she shows hubby her big boobies. Hubby thinks to himself I can make this mirror work for me.....mirror mirror make my penis hit the floor, next thing hubbys penuts hit the floor as he's got no legs!

Hash Song from Choir Master

Here's to the girl with the new shoes

She'll spend all your money and drink all your booze!!

She doesn't have cherry but that's no sin

Cause she still has the box that the cherry came in!

Drink it down down.....
