Run 2748

The Hare – GM (Ricemaster) Chillibush

The Run: Pump Station Tiwi

Run = 5.3km & Walk = 2.8km

Physio is filling in as Scribe while Backpage is swanning away doing military stuff.

GM **Rice Master** called the huge pack of 25 eager runners/walkers to order, spot on 6pm. Orange tape, no false trails and no piss stop. Walkers led by the Hare went off left at a traditional meeting place and runners off right in ever decreasing circles.

Traditional meeting place

The walkers strolled up past the western side of RDH and onto the track to the Free Beach carpark, then left along the beach road to the bush track through the mangroves back to home.

The runners apparently ran willy nilly all around the bush/mangrove area at the back of Royal Darwin Hospital. It seems they were following pink tape left by various Hash and Runners clubs over the last decade. The walkers started to panic when the runners (mostly visitors and new runners) weren't back by 7pm. But they all made it back by 7.05pm.

The Tucker.

Your Scribe was too busy scribbling notes to eat but apparently the tucker was a delicious Thai chicken curry cooked by Chillibush and supervised by the GM.

The Circle

GM **Rice Master**, ably assisted by Choirmaster **Gropa** commenced the Circle at 1944hrs.

Monny and CK.

Returning Hashers

Goodthing was our only returner. Welcome back you good thing.

Visitors

Christine, who has run Phuket Hash and **Daniel** who I think may have run in San Diego, were visitors.

Virgins

Eric, who I think was introduced by Chew Kaka was suitably welcomed to Hash.

Fines

OBE fined by **Pickles** for missing the turnoff to the run site. **Jensett** may have been fined for something to do with the Tour de Piss last Saturday. **Chillibush** fined for claiming Pensioner rates for the TDP Ferry ride.

The Chook (& shirt)

Towjob forgot the Chook and so has it for another week.

Run Report

Monny gave the run 2/10. Ooooh.

Cricket gave the walk 8.5

Tucker rated by **Jensett** as having enough chicken.

Jokes

Jensett, Cricket and OBE told jokes. Jensetts was a fail. Cricket told a Mary Lou joke and OBE told one about the Buff Club.

Announcements

TEH3 Combined Relay Fundraiser for Dementia Australia discussed by VGM **BackPage** to gauge interest from all NT clubs. Confirmed DH3 interest, weekend OK, though money raised needs to remain/benefit Darwin.

Shaddow reported Katherine Hash is planning on "Build Up" Run weekend on 27-28 September 2025. Lots of water to wallow in.

My notes have failed me but I believe Rural or Topend is having a Tour De Piss on 16th August sponsoring Dementia. More information to come. Well known Rural Hasher, Jumping Jack has it.

Tour de Piss Report

6 Bike riders, 2 walkers and around 7 courtesy bus riders set off on the Mandorah ferry at 10am. OBE and Rice walked the 5.2km to the Cox Peninsula Country club. Gropa towed the piss trailer on his bike and we all had beer and Bubbly on the way. Lunch at the Country Club, the steak was great and the fish was expensive and awful. Back on the Ferry at 3pm and drinks at the Buff Club. Great day.

HASH FEE RISE.

It has been around 13 years since Rice last raised the Hash Fees so it is time to

do it again. Beer drinkers will now pay \$20.00 and BYO \$7.00. If you want to whinge, don't do it during the circle, in fact just wear it. If you really need to complain vent your vitriol with Saint Physio who has heard it all before and will politely tell you to fuck off.

Next Week's Run - Cricket

34 Bishop St. Woolner. (his shed)

The Walkers

Gropa, just what are you about to do to Hash Cash.
