Run 2750

The Hare – Gash

Near Hidden (Midgie) Valley Speedway.

Scribe Backpage is missing in action again so St. Physio is filling in.

A pack of 18 gathered across the road from the Speedway and was quickly located by several million midgies (Sandflies). Several gallons of repellent managed to ease the midgie attack.

There was panic even before the run commenced when the gas line to the keg broke. OBE, Cricket and Pickles did a magnificent repair job and the keg poured beautifully.

Dingbat/Killa reminded us of the Tour De Piss on 18 August sponsoring Dementia NT. One of our well known Hashers, Jumping Jack has it and is not well. It will be a short ride and everyone should be back by lunch time.

Hare, Gash sent us off into the Sumcunt Burntry (Sunburnt Country) at 1801 on white chalk and dunny paper, on an up and down bush run. Your scribe is a little unwell and only did a few hundred metres. However, it seems the walk was 3.74k and the run about 2km longer.

First home was Bejeezus at 1845 who was totally stuffed and panted away like Thomas the Tank Engine for a while.

Most of the pack were home before 19.00.

The Circle

GM **Rice Master** and his trusty sidekick, Choirmaster Gropa got the circle underway after the magnificent Chilli Con Carne tucker.

Run Report

Chewcacka was asked to screw (report) the run. He gave it a 7/10 mostly because of a lovely Coopers beer and ginger beer piss stop. Cricket reported on the Walkers run and gave it an 9/10 despite shaky ground (I have no effing idea what that means)

The Tucker

Chilli Bush was asked to do a report on the Tucker. OK, little bit of Chilli.

Chilli Bush

Virgins

We have no virgins at our Hash tonight.

Returning Hashers & Visitors

We had no returners or visitors apart from the visitors who have been with us the past couple of weeks.

Fines

Chewcacka fined the Hare after finding his map of the run in a burnt out stolen car. Apparently it was a map of Australia. Towjob burred on about the tucker but nobody was fined.

An anonymous hasher proposed a fine for Jensett and Guest for being anchors. In their defence, they look after the cars, the piss and our valuables. They got a down down anyway.

Chewcacka

The Chook (& shirt)

Lighten Up was missing in action so the Chook stays with him for another week.

Jokes

God help us, what a sorry collection of jokes. Rocketman told number 43 about Superman and the Invisible man. This was followed by a forgettable lot told by Jensett, Chewcacka and OBE.

Departing Visitors.

Bejeezus and Deborah are leaving and were given the traditional farewell note by Chilli Bush (FOYC)

At the end of the Circle, Physio and the pack serenaded Chewcacka with the Yankee pay five dollar more song.
