## Run 2751

### The Hare – OBE & J(G)enset(t) 4 Tudawali St Ludmilla - Arithmetic

**Run/Walk** = 4.28 (falsie add 4/8=.5)

GM **Rice Master** hallowed at the 20 harriers towards **OBE's** destructions on pink tape and white chalk arrows.

## The Circle

GM **Rice Master** calls tuka up and **Killer** is the first to eat Cottage Pie and trifle for dessert. **BackPage** encouraged GM & Choir Master to fight **Killer** for the first tucka.

## Run Report

**BackPage** was asked to rate the run, 'Well **GM**, I was gutted and was lost crossing Bagot Road exploring sacred sites and dodging the Cup Day crazies until the ute piss stop was found. Rated 9/10.'

### Cottage Pie Nosh and Trifle for dessert!

**Cricket** updated the walkers trail who found the only false trail taking them past the Belgin Solar car challenge mob sunning up and the piss stop was cunningly hidden in the scrub rated 9/10. Mind ewe, **GM** was noted saying "were back, who said we got lost?"

Nosh report by **Killer** tasty and plenty of it rated 9/10 = 27

Chew Caca was serenaded by himself to F\*\*k Off as he returns home to Okinawa

## Chewy Lectrified

**Chew Caca – navigating the new fence saying “How can I stay??”**

## Piss stop ahead

## Fines

**Virgins - NIL**

**Visitors**

**Concrete Boots** is becoming set in attendance, which the hashers are rock solid on! **Just Dave**, conspiracy theorist from Camden NSW acquainting estranged sister and mattress relationship with Cricket (no pics under order of suspicion) and saw each other only 3 times in 50yrs! (Cant have evidence left behind)

DH3 is graced with **Killers** presents every Public Holiday Monday, however Flaccid was ridgid with a fascinator.

All DH3 harriers who showed the world that we survived crossing Baggot Road.

Guest & Barbwire arrived after runners returned just in time for circle after being at Cup Day. **Tow Job** musta found a falsie on the track as he didn't make it after winning on the best horses ass of the day, Hadouken. No fine!

## The Chook (& shirt)

**Lighten Up** was very helpful in finding another hasher who has royalty F\*\*ked up. **Saint Physio** for the chook! Nearly escaped was **Dibba Dobba**, followed by OBE who lost his drink to guess who!

Saint Physio (cant remember his kingdom) sang a song Illegitimate

## Jokes

Rocketman's socialist in NYC, painted a something that was revealed at the special room at Parliament House. The Americana painting of 3 Indian's having sex and the fish with halos. On demanded interpretation of painting, its Custard's last stand "holy mackerel f\*\*cking Indians.
