The Hare – Holy BackPage Vietnam Veterans Day Run Opposite Fisherman's Wharf

Run = 5.3km plus a nice 1km false

Walk = 2.76km with longer options)

GM **Rice Master** revealed the 21 harriers to listen to **BackPage's** destructions on blue chalk and bit of blue tape for runners only. **BackPage** was heard saying the runners and walkers split up then marry up for a commemoration, then divorce again, all in the remembrance for Vietnam Veterans Day.

BackPage, never the same mole again!
Thanks **Fullbottle**

The Circle

GM **Rice Master** calls "noshs up".

Before

Cooked

After (plus 6 garlic breads) all devoured

BackPage's tasty chicken parmesan casserole with garlic bread

Run Report

Nosh report straight up.

OBE rated nosh defib 9/10 as the elevator was not hashlike The bowls were kindly supplied by **Jensett** (Thank you) so you didn't have to lick the paper plate and

Gropa helped provide the heat for some of the nosh (Thank you).

HIV the only runner tonight, cheated by reading BackPage's Garmin report so made up some of the run and rated it: "I didn't score on that run so 11ty7/10. It was up down, piss stop, bored and cum back."

OBE reported walking up the rainbow stairs, looking for a defib 9/10. Somehow musta missed the elevator!

A Vietnam Veterans Day

Commemoration was conducted at the Darwin Cenotaph, as the runners and walkers married up, with the history of Battle of Long Tan and Vietnam War discussed followed by Hashy tributes to lost loved ones in all wars and ones still serving. The Last Post was played by Saint Physio on his trusty harmonica, followed by 1min silence and Rouse, then the National Anthem and wrapped up with port shots.

Hare **BackPage** was serenaded to Shitty Trail.

Visitors

Uncle JIMMY, **Fullbottles** uncle, joined us with his rockin presents. Something about Welcum to cuntry and Suzuki. Danny my newpew, no 2 son to my brother (wotshisname) Minute Man. Fullbottle pipes in and says "see GM, its hereditary! (tried to go to heaven)

The FullBottles clan, charged by **OBE** for

getting the Rutherfordds together.
Dawggies not happy Jan! (take it in ya palms Mrs Palmer)

Returners

Bendover, **HIV**, **Enola**, **Sexon** & **Fullbottle** all somehow made it back to hash in one cuntry, location and cenotaph. Even **Enola** was revitalised after a blood transfusion, minimising the HIV around her, and made it to the cenotaph! (where were you last week)

Fines

Fullbottle fines **Sexon** for pushing dawggie in pool, caught on all cameras, then my little dog got pushed in. No fine in the end! (bullshit song)

Who's the culprit? Doggone!

The Commemoration

The hashers made it to the cenotaph to Thank our Vietnam and other Veterans who have fallen, still with us and still serving along with their families.

BackPage led us to understand some of the Vietnam War times and the value of remembering and paying respects. **Saint Physio** and others recited the Ode, and played The Last Post, followed by 1 min silence then Navy Reveille. Some paid tributes to loved ones lost and we all drank a shot of port to farewell and remember them.

The Chook (& shirt)

Gash MIA so holds chook for another week

Jokes

Rocketman led with 3 surgeons discussing the simplicity of their patients. One says I like electricians, as they are colour coded. Another one says "I like Librarians, they are in Alphabetical order. The third says I like politicians, with no heart, no spine and no ?????to deal with.

OBE says to a German, what is the square root of 81 St Physio and Killer do you get it
