3rd June 2024 Run 2690

Dibba Dobba & Lightenup – Brinkin Crescent, Brinkin

The Run:

An easy trot around Brinkin

The trail, was clearly marked and easy to follow for those that can read “Orange Tape & White Chalk”.

A very pleasant and refreshing drink stop was had with the usual Stones, Ginger Ale/Beer & an added secret ingredient of Sherry. Most went back for seconds.

The Circle

With only 12 dedicated Hashers it was small and short circle. **Groper** was nominated Choirmaster in **Tastees Toy Boys** absence.

Returning runners. **Groper & Good Thing** have returned from the Sunshine Coast down south and were given a very off tune “Where o’ Where”.

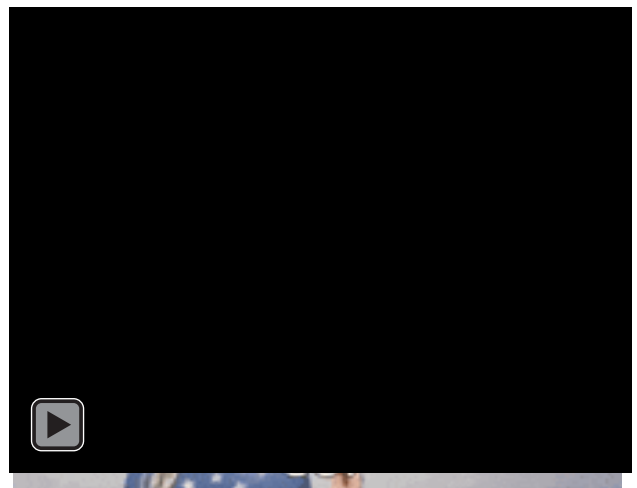

Returners

Jokes

Some bloke wanted to start dating a Weathergirl. It would be nice to go out with a woman who was wrong sometimes.

Rocketman gave the old Superman jumping on Wonder Woman and surprising the invisible man.

Fines

Without **Towjob** to kick things off, no fines were awarded.

But it was noted that empty cans in the centre of the circle meant two things. 1. **Physio** was also absent, and 2. His children will not eat tonight.

My children will eat tonight

Rocketman was also here again to advise he would be away for a few weeks.

Chook Fucker

Full Bottle Still MIA

The Hares

Hares – Dibba Dobba & Lightenup

Cricket was hesitant to praise the run however as **Physio** was absent he said “Bugger it, it was a Damn good effort”. The drink stop at the sacred sight (Mens secret sleeping place) was also well received by all.

The Tucker;

Excellent something in a baking dish with lettuce, beetroot and several other things. Plenty to go around, followed by dessert served up with whipped cream and chunky custard (guaranteed to contain no yak fat). We all kept going back for seconds until there was nothing left.

Plenty to go around
