Sir Animal, run 2660,.

The "Shanks" run, any colour you like, babydoll.

A few away interstate but stuff'm, the show goes on.

Running repairs to the VB beer line successful, pack can relax. A Great Northern keg as well. Darwin Hash, the traditional hash, has had a decades long sponsorship from CUB, ably managed by Sir Animal for a few years. We ALL benefit from this arrangement and thank all those involved, (I am grovelling now). Acting Hash cash, Jensett, everyone has paid.

The Run: Pink tape, gyprock chalk and on on, better late than never, tidy run, mixture of road and scrub, some challenging inclines. Cricket and Pickles diligently took down the pink take off the trail. This is when your scribe got wind of that deviate Cricket's plan to charge Dibba Dobba et al with leaving orange tape hanging all over Brinkin.

The Circle:

GM and St Physio.

No returners

The kegs were pouring beautifully.

Fines:

Cricket hatched his charge on a very unsuspecting Dibba Dobba, and by association, Lightning. Dibba Dobba wore said orange tape on her head, couldn't defend the charge of not taking down the tape from their run, so both guilty as charged. Down downs.

Tasty's Toy Boy was mentioned in dispatches by Towjob, but the details escaped me.

Cricket in fine form tonight, now with a joke featuring Guest and Barbwire, Beyoncé and buoyancy. Very funny. Rocketman yarn about shooting oneself just below the left boob. 4/10.

Lightnup reckons Albo has to join the CFMEU now that his is a FIFO employee. And, Sir Animal's yarn about dying in Jerusalem and fearing another resurrection.

And the hare: and t h e f u c k I n g h a r e

Good run and tucka Sir Animal. Pasta and meat and cheese and yum. Unbreakable utensils helped.

Cuming Event:

Xmas harbour cruise, Monday 20th November. \$50 each, includes cruise, booze and on board snacks. Departs near Lola's Pergola, Cullen Bay. Please be there no later than 4:45 pm, repeat after me, 4:45 pm.

Need numbers and payment next week please. Get excited you basturds.

Next weeks run: 13/11/23.

Pickles, car park opposite Jingili BMX track, Marrara.

Corner of Abala and Abala Rd. No, not a fucking mistake, corner of Abala and Abala.

27/11/23, 50th year of Casuarina Hash, combined run, TBA.

On on you ?
