Run 2661, Pickles, under the Yum Yum tree, Marrara.

Long time since a DH3 run here at Marrara. Threats of rain evaporated, dues collected and keg connected. Yum Yum.

The Run : Pickles sent the pack off on pink tape. Took a few minutes to find the trail, then on on called thanks to new runner Dr Bill then on on through some scrub, on to Henry Wrigley Drive, more scrub, then Charles Eaton Dr then a massive useless loop along, (and we mean long) the airport perimeter fence then out onto McMillans Rd to the cold piss stop back on Charles Eaton. Fuck. About a km home in the dark. The keg was pouring beautifully.

The Circle:

Returns:

Mustang Sally visiting from Coffs Harbour area. GM asked what made her cum tonight and Mustang carelessly answered to sell her unit and see some mates, not a mention of DH3. Error quickly picked up, she was duly admonished and given a down down.

Gash, earlier missed as a returner was returned to his chair after a down down.

New runner:

Bill, whose family run Kuching Hash in parts beyond, was welcomed by the GM, presented with a yellow 69 tour

de piss shirt and a couple of stickers. Appropriate down downs. Welcome again.

Jokes: A dog and bolt joke.

Now that Albo is back in Oz, he needs to be reminded that when you eat at a flash banquet in Beijing, you don't say "I like Chinese food Mr President", because in China, Chinese food is just "food".

Now, Gash, and only Gash could bastardise a joke about a talking rabbit, a pub and sandwiches like he did. Took about five minutes, a couple of revisions of text on the run, a prompt from St Physio and finally, the punch line. Worth the wait? Of course it was.

And the Hare: and the f u c k I n g hare Pickles. Long run around the airport precinct, plenty of second hand tape and a good piss stop. Probably set on his treadlie. Tucka awaited , nice and hot, rolls and strong cutlery, hey Cricket.
