5th February 2024

Run 2673, St Physio, Northlakes.

Rhubarb, rhubarb, rhubarb, bullshit, bullshit and more. The opening stanza of DH3 Monday night at St Physio's place.

And the VB was already pouring beautifully. 🍺🍺

Orange tape, gyprock and coloured chalk, on on right, carefully behind the caravan park, picking our way through the gamba grass and on to the piss stop. Fuck, the piss stop has not only been infiltrated by Casuarina Hash, they are actually drinking the piss stop, rum and ginger beer. See photos. On home, just under three kms.

Dominoes pizzas first 🍕, then the circle.

Yes, the circle:

Fines:

The GM, in a daring move charged Jensett for wearing pants with a hole in the back of the leg. Guilty.

St Physio charged for sharing the piss stop with CH3, guilty, obviously.

No name Rob and Pickles, pinged for their 1715 start, too early they said.

Nothing wrong with a bit of enthusiasm in their defence, but overruled by the GM. Sort of guilty.

The GM, home alone, forgot the chookfucker?

Jokes:

Sir Animal, Jensett, Toy Boy? And OBE contributed, oh, and Gash, all about the maths and a foreman aptitude test 😂

And the hares: and the f u c k I n g hare, tidy run, good piss stop and Dominoes pizzas.

Next week's run:

Sir Animal, a Shanks run, Red I believe. #14. 🦜🐔. Be there.

Rear end of CH3-best view ever
