Run # 2674: Sir Animal, Bakewell.

GM and Sexon last to arrive and pay. Pink tape, on right, down the hill and what looks like the last trail here, but in reverse. A drizzle of rain then it just got heavier, so, after 3.2kms and lots of hills, back home very very wet. And the keg was pouring beautifully. Your scribe is looking for inspiration on what to pen, checked my notes and bingo!! The GM's had opined to the circle, "the AGPU looms large in three months". You little ripper, some other bastard will soon be generously and studiously pulling a shitsheet together. I am inspired now.

Returners:

Dover, Sexon, Monkey, Oops and Cricket, wow, all with their reasons for absence. Stand in Choirmaster, HIV, and yes he is positive, sung them off with the Meekatharra ditty. Cricket presented with a 50 year DH3 cap, embroidered with his name and ??? runs. After his nearly fifty years of hashing, Cricket couldn't come up with a number of runs, so ??? It is. He then wandered off trying to avoid a down down, but the GM dragged him back to be dealt with. Gash got to hold the check.

Fines:

Dibba Dobba charged by the GM with stupidity, to wit, bringing an umbrella to Hash and not taking it on the trail

with the heavens wide open. Hmmmm. Guilty yes, but might have been charged anyway if she took said umbrella  on trail for being a sook. Now the proud keeper of the Chook.  .

Guest and Jensett pinged for their PB walk for 2024, as it was their ONLY walk this year , about 2000 metres. They didn't go quietly, hey.

The keg's fucked! But there was backup.

Monkey's beard trim was mentioned in dispatches.

And the hare: and the f u c k I n g hare Sir Animal  up and down the hills, as the rain rained . Sir Animal has spoken to the Council about flattening the hills, work in progress he says. Good tucka and plenty of it.

Next weeks runs:

Pickles, 19/2/24

Lee Point, at the pointy end, bring a handle and dad jokes.

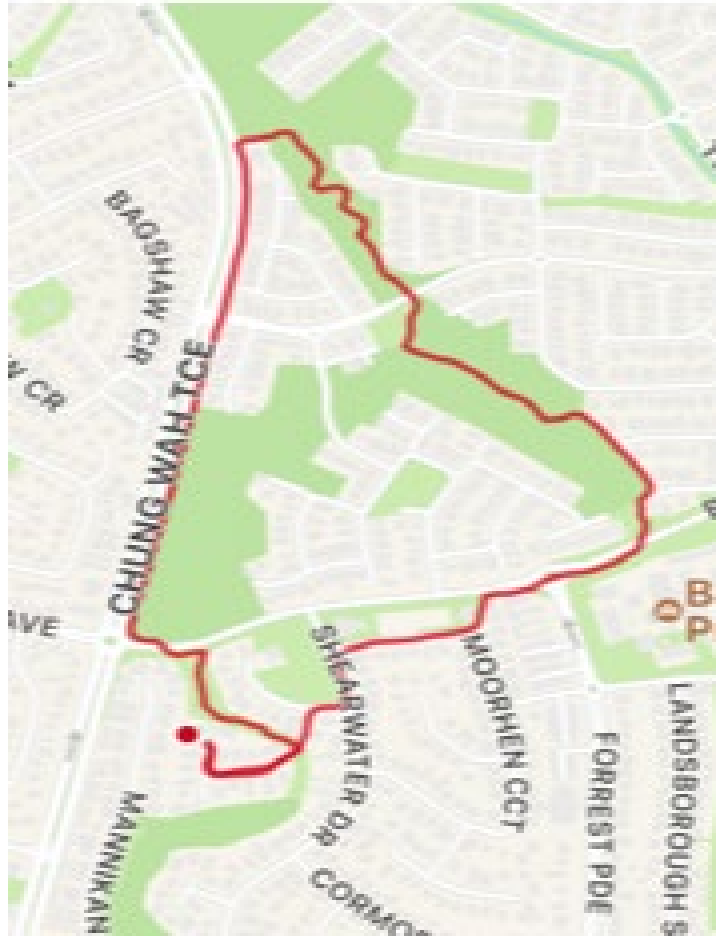

Then, Oops, 26/2/24, Quarry Cr, Stupid Park.

Then, Cricket, 4/3/24, TBA.
