19th February 2024

Run #2675: Pickles, Lee Point.

Nice breeze, no rain but a threat of mozzies. The hare warned of mozzies. So, some sprayed, one stayed, and the pack took off on orange tape towards the beach path. On on towards Buff Creek but not all the way, on right to the bitumen then a long haul to the piss stop. 🍺🍺. Tasty drop, not bad hey.

Just under four kms.

The keg was pouring beautifully.. 🍺🍺 Blackfish this time.

The plate was hot, onions and bangers sizzling, and St Physio was getting into the Piss Stop, rum?

The GM wanted an early circle, but your scribe delayed the show, not quite ready. Now he is.

No returners, visitors or new runners. The chookfucker, 'ol mate, in Dibba Dobber's capable hands, waiting to find a new home.....

Is it, Hendricks the red dog for pissing on Barbwire's man bag, or

Enola for wandering off on her own trail, or

Physio for toungeing "Dibba Dobba's word", a young girl walking past the on on.

A show of voices and a yelling of hands, and the dog gone and got the chook. A DH3 first, I reckon. 🐔🐔

Fines/jokes:

Towjob, GM, Lightnup, Sir Animal, Rocketman and Gash mixed it up for a giggle or two. 😏😏😏.

And the hare: and the f u c k I n g hare

Pickles, the man of the hour, Pickles on the Point.

Guest looked interested, Enola looked interesting and Sexon just looked.

I digress, the hare, ah yeh no, no, there were no mozzies, but a neat trail, traditional bangers and onion sandwiches and dead 🐕.

Lightnup up and Tasty's Toy Boy dropped some sweat on the plate, but not on my sausage, while helping the hare.

Good piss stop too.
