26th February 2024

Run 2676, Oops Quarry Cr, Stupid Park.

A visitor and a couple of returners, nineteen of us hosted by Oops. A quick heart starter and on on pink tape and white chalk, left and down the hill. Now starts the serious stuff, fuck. Great big anticlockwise trail, maybe the longest bastard under the current GM, 5.38kms, felt like 8.35 to me. Not complaining but hey, bit knackered and home about 7:20. GM calls early 🕒.

Returners and visitors:

Visitor Dangles from Capital H3, Canberra, and returners Headjob and Gropa up on the stage, under lights and given the St Physio lyrical treatment.

Guest looked interested, Jenset just looked.

Fines:

Towjob charged Headjob with talking so much on the trail that he struggled to find the tape and chalk. The GM, exercised his well earned authority reversed the charge back to Towjob, a good job for Headjob.

Chookfucka:

A dogged pair of prospects sniffed out by Kendrick.

Oops for the long run, and HIV for flossing like a stripper in the circle. A show of voices and a yelling of hands and it is a lay down misere for HIV. Baise moi, very brave to charge the hare for a long run!!

The keg was, yes, you guessed it, pouring beautifully.

And the hare: and the f u c k I n g hare Oops, the consummate hasher, bashed us up with her marathon trail around the Park, the

fringes of Fannie Bay, Darwin High School, Golf Course, past the Buff Club then home.

The chilli 🌶️ con carne tucka had some sweating for more, like me. Yum.

Next week's run 🏃

4/3/24, Cricket's shed, 34 Bishop St, Woolner.

But there's more, a whisper in her ear from Jensett, and, Oops rips up the stairs and reappears with a sumptuous pavlova she made for Guest's leap year birthday. A quick mention and after the hash death birthday song, we hook into the pav. HB Guest.
