## **Run #2678, Hardy's, by the Bay.**

Manicured green season lawns and a green season **VB trailer**, doesn't get any better than this. Hash cash was early.

### **The Run:**

Towjob waving pink tape around, on right, Holtze St, Parap Primary, Playford St, ok so far. Surprise, Lightnup is with us, and with us until Dick Ward Drive then on back. Good effort. And that left me and the GM to finish the big lap and pickup the tape. Home at 19:20, fuck!!

**And the keg was pouring beautifully.** 🍺🍺. Yum.

Tonight we eat early, double yum.

### **Then the circle:**

HIV stand in CM, St Physio awol. AGPU 10, 11 and 12th May, 2024, Coomalie Camp.

### **Fines/chaos:**

Jensett, at E above high C, charged Lightnup with the heinous crime of a hole in his shorts. Fair call but, howled down, not guilty.

Chookfucka. A serious diatribe from HIV, throwing c words around like confetti, hit on Concrete Boots, really just for being there and never having the chook before. Seems fair.

Where is Bitta?

**Jokes:** Sir Animal and the dildo, Jensett and the hole in the golf fence, Rocketman, not sure, and the oldy, the cop and the wife.

**Oh, and the keg was pouring beautifully.**

**And the hares:** and the f u c k I n g hares The Hardy trifecta, Guest, Barbwire and Towjob.

5km trail and good tucka. Everyone loves rissoles etc. TTBOY cook up.

Guest had a beer, see photo.

**Next week's run:** 18/3/24, Gropa. Alawa Community Hall, Lakeside Dr, Alawa.
